Memo No 98 A/26-1/25. 1. 26

Levy of education tax - Letter from the P.T.B. Tiruvannamalai, No. 46/25, dated 21-11-1925.

The P.T.B., Tiruvannamalai, is informed that the setting apart of ^(a portion) the income from extra land cess for educational objects ~~cannot be taken as equivalent to the~~ levy of an education tax within the meaning of section 34 of the Elementary Education Act ~~and the Board will not be enabled to claim a contribution from~~ Government under section 37 of the Elementary Education Act. The Board should therefore resolve to levy a separate education tax in addition to the existing taxes and submit its resolution for the sanction of Government.

2. The proceeds of the education tax and the equivalent Government contribution are intended for the expansion of elementary education and the opening of new elementary schools and should not be diverted to relieve the taluk board of the charges hitherto incurred on elementary education. ~~from its general revenues~~ The President is requested to report whether the board is willing to contribute to the E.E. Fund from its general revenues a sum not less than Rs 6,862 per annum even after the levy of the proposed education tax.
