NOTE FOR THE FINANCE COMMITTEE.

Subject Opening of Part II Scheme - Budget for 1926-27. Proposal of the Director of Public Instruction, School, Trichy.

Government sanctioned the opening of the IVth form in the Govt. Islamiah Secondary school, Trichinopoly in the current year and as a necessary sequel form V should be opened in the school in 1926-27.

With the opening of Form V in the school, there will be seven classes (classes 4 and 5 and forms 1 to V) for which a staff of two graduate assistants and five secondary grade teachers will be necessary. The sanctioned scale of staff of the school, however, consists of only one temporary graduate assistant (for form IV) and four secondary grade teachers. The employment of an additional graduate assistant and a secondary grade teacher in 1926-27 will therefore be necessary.

Government have sanctioned a rent of Rs. 50 a month for the building engaged in connection with the opening of form IV. As additional accommodation will be necessary with the opening of form V in 1926-27 an additional sum of Rs. 25 a month will be required for rent. A sum of Rs. 2,100 will be required for equipment.

Note by the Law (Education) department.

When taking over the management of the school in 1919 from the Muhammadan Educational Association, Trichinopoly, the Govt. agreed to raise it to a high school in the near future when circumstances became favourable. The Muhammadan Community in Trichinopoly and the Advisory Board of the Govt. Islamiah Secondary School have been urging on Govt. the need for raising the status of the school to that of a high school. The proposals of the D.P.I. for opening the V form in the school may, therefore, be approved. The expenditure involved in the above proposals in 1926-27 and the ultimate expenditure when all the three higher forms have been opened in the school are as shown below:

The Finance Committee recommended
the opening of the V form on a temporary
