Sir.

In resubmitting herewith the papers referred to
me for remarks in Government endorsement No. 4800 A-1
dated 19th December 1925, I have the honour to state
that the Co-operative Manuals in question are being
supplied with a view to enable the teachers to know at
firsthand the importance and the usefulness of the
co-operative movement. It is stated that they also
serve as reference books to teachers to enable them to
teach the principles and methods of co-operation to
their pupils. I therefore advise that sanction may be
accorded to incur the expenditure on these books from
