Submitted.

2. In the event of the school being closed from 1st April 1926 the following issues will arise:

(a) Reassuming charge of the building, furniture and other equipment of the school which were transferred to the Municipal Council along with the school (vide para 2 of G.O.No.1132 L.E., dated 23-9-22)

(b) Providing for the permanent staff of the school as at the time of its transfer to the Municipal Council either by absorption in other Government institutions (preferably model schools attached to the Government Training institutions for mistresses) or granting them compensation pension.

3. With regard to (a) and (b) supra I propose to ask the Inspectress of Girls' Schools, Western Circle to assume charge of the building and other equipment of the school and to see if the permanent staff cannot be provided for elsewhere in other Government institutions failing which they will have to be granted compensation pension.

4. I might add that I also propose to request the Inspectress to investigate the possibility of the school being taken over by some enterprising private body or Association on receipt of Government orders on this letter.

5. I request the favour of early orders.

Sir,

Adverting to G.O.No.101 Mis., dated 23rd January

1926, declining to entertain the proposal of this Council requesting the Government to take back the management of the Shevapet Muhammadan girls' school, I have the honour to state that this Council does not propose to maintain the school from 1--4--26 and that, therefore, the school will be closed from that date. A copy of the Council's resolution on the subject is herewith enclosed.

Dated 29--3--1926.

To

The Hon. Rao Bahadur Sir A. P. Patro Kt.,

Minister for Education,

Fort St George, Madras,

M a d r a s.

Honoured Sir,

On behalf of the Muhammadan Educational Association --
Salem, I beg to bring the following to your consideration in the
firm belief that you will give your sympathetic and favourable
consideration and help in the matter.

1 The Muhammadan girls' school, Shevapat, Salem, has been
in existence for more than 35 years and was managed by Government
till 1--10--1922 when the institution was handed over to Salem
Municipality for its management with an annual subsidy of ---
Rs 2,563--0--0.

2 The management of the school was ever since in the
hands of the Municipality. About a year ago one of the compound
walls of the school having completely dropped down, it was ---
reconstructed by the Municipality with an expense of about Rs 700/-
out of Municipal funds and the Council applied to Government to
sanction the additional subsidy to cover the cost of reconstruc-
tion.

3 In addition to this, Salem Municipality applied for a grant of Rs 200/- to meet the expenses towards furniture and books required for the school.

4 As the Government was not pleased to comply with its request for the above grants, the Municipal Council has in its resolution dated 13--2--1926 decided that the management of the school under the Municipality will be discontinued from 1--4--1926 and that the matter should be communicated to the Government.

5 There is but one Muhammadan girls' school within the Salem Municipality for a Muhammadan population of more than 6000 and it will be a great loss to the community if this only school be abolished.

I, on behalf of the Muhammadan Educational Association, pray your honour may be pleased to take the school under --- the management of Government or be pleased to grant an additional subsidy to the Salem Municipality to cover up the above expenses as well as those that may be incurred in future for the improvement of the school.

I beg to remain,

Honoured Sir,

Your Honour's Most Obedient Servant.

Secretary.

[C no 868 A] from the D.P.D no 1615 A/25 7.5.26
Subject: Municipal Muhammadan Girls School
Shewapet

1. In G.O no 1132 L22 23.9.22 the Govt
Sanctioned the transfer of the Govt Muhammadan
Girls School, Shewapet, to the control of the muni-
cipal Council, Salem. A sum of Rs 2,563/- is
also being paid to the Council ^{every year} towards the cost
of maintenance of the School. This amount is
approximately equal to the expenditure incurred
by the Govt in the maintenance of the School when
it was under their control.

2. Subsequent to the transfer, the Council
carried out certain repairs to the Compound wall
of the School building at a cost of Rs 1,203 and
applied to Govt for a subsidy to recoup the amount.
The D.P.D recommended the grant of the subsidy
asked for, but the Govt declined to sanction it
on the ground that under paragraph 2 of G.O no
1132 L22 23.9.22, the Council should meet the
cost of such repairs from its own funds. (Vide
(2) G.O 916 L22 1.6.25 and the notes thereto) In October 1925
the Council asked for a reconsideration of the order
but the Govt declined to reconsider the decision in
(3) the G.O. ibid. Vide G.O 436 R 26.10.25.

3. In December 1925 the Council requested that

25 9

the Govt might take over the management of the institution back from the Council. The Govt expressed their inability to comply with this request. Vide L.S.G. 101 L.S.G. 23.1.26

(d)

4. The Council now proposes to close the School from 1.4.26. ~~But the suggestion in para 4 of L.S.G. 101 may be accepted and the Govt may be asked to submit proposals for the re-creation of the school. The Govt may be asked to submit proposals for the re-creation of the school.~~

As the school is intended for Hindu-Muslim girls, there will be strong opposition to the closure of the school. It appears therefore desirable to reconsider the orders passed in L.S.G. 916 of 1-6-25 and to sanction the payment of the sum of Rs 1203/- incurred by the Council on repairs to the compound wall. The Council may then

reconsider its decision to close the school.

In the alternative Govt. will have to assume the management. The policy has been to give up the direct management of elementary schools as far as possible.

It does not appear that any private management is willing to carry on the school.

1. The Govt may assume the management

If the Govt. re-assume the management they will only be going back upon their policy enunciated in para 1 of L.S.G. 1132 Law (Edn) & 23rd Sep. 1922. The Director also does not also approve his step. The better course would seem to be to sanction his grant application in which case the Council will decide & reconsider its decision to close the school. The chances of the school being taken over by any private body or association seem to be also remote.

This Deptt need not object to Govt. re-assuming the management of the school.

In para 4 of his letter on p 2 of L.S.G. 101, the D.P. proposes to investigate the possibility of handing over the school to a private body or association. Pending the result of this investigation, the Law Deptt. propose that

11

the Govt. should assume the management of the School with effect from 1-4-26. It is stated that there will be strong opposition to the closure of the school. In the circumstances, it is for orders whether Finance may agree to the proposal of Law (207). If it is decided that Govt. may assume the management temporarily, the subsidy payable to the Municipal Council, Salem towards the cost of maintenance of the school should be withheld from 1926-27 and specific proposals should be called for from the D.P.I. in regard to the establishment and other expenses required for running the school under Govt. management with an indication of the source from which the cost will be met.

The Secretary, Muhammadan Educational Association, Salem States that the Association is a registered Society. If the Com. is asked official State up management of the school it will be prepared to consider it & take up the management. There is no need of keeping the school under municipal management. The M.C. declines the arrangement any longer. I don't agree to give any more subsidy to the municipality. The inspection of schools may at once communicate with the Com. & the Com. may then confer with an individual to take over the school, till then the school will be under direct management of Com.
