To The Secretary to the Government of Madras,

Law(Education)

Department.

Sir,

I have the honour to submit for the favourable consideration of Government the following proposal for the opening of a hostel for the benefit of the students under training in the Government Training School for masters, Erode, with effect from 1- 7- 26.

2. There are at present 114 students under training in the school, of whom 111 belong to places outside Erode . Of the latter as many as 80 have arranged to board in private hotels for want of a hostel attached to the school, and the District Educational Officer reports that 70 students are likely to join the hostel if one is opened in July 1926. *21*

scarcely

scarcely needs to be mentioned that the mess provided by private hotels besides being expensive, is far from satisfactory. In view of this and in view also of the fact that with the establishment of a hostel more effective supervision can be exercised over the work and life of the students under training out of school hours, I request that Government will be pleased to accord sanction for the opening of a hostel in connection with the Government Training School for masters referred to above with effect from 1-7-26.

2. The hostel will have to be located in a rented building and the District Educational Officer reports that the expenditure under this head will come to Rs.40 per mensem. Provision will have also to be made for initial equipment (viz vessels) and the District Educational Officer estimates the expenditure under this head at Rs.400. I request that Government will be pleased to accord sanction for the payment with effect from 1-7-26 of a rent of Rs.40 per mensem for the proposed hostel and for the purchase of vessels etc at a cost not exceeding Rs.400.

3. The extra expenditure involved by the proposal in 1926-27 will be Rs.720, the extra ultimate
