In reply to your R.O.C.No. 1129 D/25, dated 28th September 1925

I have the honour to inform you that the Association continues to be in need of the financial assistance so generously extended by the Government from year 1925-1926 and that the same may be extended for the year 1926-1927 and increased also if funds permit. I may inform you that taking advantage of the grant, we have appointed two full time organising Secretaries who are touring about and who have been very helpful in increasing the efficiency of the movement in the districts and if the grant is not continued it will be impossible to continue the services of the above full time officers and the progress of the movement will be seriously handicapped. It is needless for me to mention that the amount which has been placed at the disposal of the Association has been spent very economically and in the best interests of the Boy Scout movement. I enclose herewith the details of expenditure proposed to be incurred out of the amount that the Government may be pleased to fix.

(C.No.2601-B) From the D.P.I., R.C.No.1129-D d/28-9-25

Subject:- Grant to the Boy Scouts Association,
Madras.

In G.O..No.585, dated 21-4-25, the Government sanctioned a grant of Rs 10,000 to the Boy Scouts Association, Madras, to enable it to employ a capable organising secretary. The Association was informed that the grant was sanctioned as a temporary measure. The D.P.I. now recommends that provision for a similar grant to the Association may be made in the budget estimates for 1926-27. Attention is solicited to the Hon'ble Mr. Graham's note on p.16 of notes to the above G.O. wherein he stated that he would have no objection to a grant to the Association for, say, 2 years. The organising secretary cannot be expected to show substantial results in a year and the association may not be able to arrange its affairs in such a way as to become independent of the grant in one year. The Director's proposals may therefore be accepted. A note for the Finance Committee is submitted for approval. It may be sent to the Finance

Subject.- Part II of Budget for 1926-27-Grant to the Boy
Scouts Association, Madras.

Proposals of the Director of Public Instruction.

The Director of Public Instruction recommends that the grant of Rs.10,000 sanctioned from Provincial funds to the Boy Scouts Association, Madras, in the year 1925-26 may be continued for the next year and that the necessary provision may be included in the budget estimate for 1926-27. It is reported that, with the aid of the grant, the Association has appointed two full time organising Secretaries who are touring about and who have been very helpful in increasing the efficiency of the movement in the districts and that, if the grant is not continued the progress of the movement will be seriously handicapped.

Note by the Law Education Department

In September 1924, the Honorary Provincial Secretary of the Madras Boy Scouts Association applied for assistance from Provincial funds for the employment of a full time officer who would tour throughout the Presidency, organise training camps, supervise scout troops and enlist public support for the scout movement. The expenditure on account of the salary of such an organising Secretary, his establishment and travelling allowance, and the equipment of training camps was estimated at Rs.16,000 a year. It was reported that the income of the Provincial council of the Association was only Rs.2,600 a year exclusive of subscriptions collected from the public towards the expenses of individual troops in districts. While forwarding the application to Govt. the Director of Public Instruction referred to the educational

value of the organization and advised that the Government might support the movement temporarily and that, in the meanwhile, the Association should make an intensive appeal throughout the Presidency for subscriptions. The Director recommended that provision might be made in the budget for 1925-26 for a grant of Rs.15,000 to the Association. The Government agreed with the Director that the movement, if organised and conducted on sound lines, would be of great educational value, and decided to sanction a grant of Rs.10,000 to the Association as a temporary measure. While sanctioning the payment of the grant in the current year, the Govt. have informed the Association that the grant is intended for the employment of a capable organising Secretary, and that it is made as a temporary measure and that a statement of expenditure incurred out of the grant should be furnished to Government duly certified by qualified auditors.

The grant may be continued for one year longer, as the organising Secretaries cannot be expected to show substantial results in a year and the Association cannot arrange its affairs in such a way as to become independent of the grant in one year. A provision of Rs.10,000 may be made for the purpose in the budget for 1926-27 under the head "31 E.d.v.-Education-General-Miscellaneous-Grants-in-aid-Miscellaneous-Non-recurring-Miscellaneous".
