Law (Education) Department.

Sir,

I have the honour to submit below a scheme for the introduction of Agriculture and gardening as additional prevocational subjects in the Board High School, Poonamallee.

2. The President, District Board, Saidapet reports that owing to the necessarily limited equipment provided for the weaving class, it has not been found possible for all the 122 pupils who are at present receiving instruction in weaving to attend the weaving class twice a week.

In order to make manual training effective and to enable all the pupils to get the benefit of annual training the District Board have approved the introduction of agriculture in the school and have also agreed to meet

P.T.O.

to meet half the cost of the scheme-recurring, ^{and} non-recurring.

2. As 75% of the pupils belong to the Agricultural classes and as Poonamallee affords a suitable centre for an experiment of this nature, this subject has been specially chosen.

3. Instruction is proposed to be given to about 82 pupils who will receive instruction in gardening and Agriculture alternately in sections, each section attending the special classes one period per day.

4. The adviser to Government on Manual and Vocational Training, who scrutinized the scheme estimates the recurring and non-recurring charges at Rs. 840 and Rs. 250 respectively as per details given in the *margin.

* Recurring:-

Instructor-S.S.L.C with agricultural Diploma.	Rs.
40-2-60	480.
allowance to the school Botany assistant at Rs. 10 per month.	120
Chemical ^{manures} manures	50
Seeds.	20
Cooly at 10 Rs. per month.	120
Congingencies.	50
	<u>840.</u>

Non-Recurring:-

Ordinary improved plough 2.	Rs. 40
Monsoon plough.....	25
Pick axe 1.	50
Latest kind of pump.....	135.
	<u>Rs. 250</u>

for 1925-26 for this scheme.

The adviser reports that gardening is at present being done under the supervision of the Botany --- assistant who is a graduate in Botany and it is proposed that he should supervise the theoretical instruction of the classes and receive an allowance of Rs. 10 per mensem. The Agricultural assistant will be required to do much practical work in the fields and be in charge of the garden works also.

5. I recommend that the scheme be sanctioned as an experimental measure.

6. No provision has been included in Part II of the Budget Estimate
