Spare copies

Station Madras, Dated the 3rd August 1925.

From (Name) R.G. Grieve Esq., M.A.,

(Designation) Ag: Director of Public Instruction

To The Secretary to the Government of Madras,

L a w (Education) Department.

Sir,

I have the honour to submit for the favourable consideration of Government the following proposals with regard to the creation of 15 posts of Physical Training Instructresses for the Government Training Institutions for women in this Presidency.

2. It is a condition of recognition of boys schools that there should be a Physical Training Instructor on the staff of the school and in all Government Training Institutions for masters there is a post of this nature. It is very desirable that this should equally apply in the case of Secondary Schools as well as Training Colleges for

2/ ✓
for women. In the case of Training Colleges there are special reasons which justify the creation of such an appointment. The students under training should have some training not only for the benefit of their own health and physique, but also that they may take an intelligent interest in the games and Physical Training of the schools to which they revert after training.

3. The course of instruction which was hitherto being given by the Woman Specialist in Physical Education during her tours has necessarily been limited in scope owing to the shortness of the period of stay in different centres, though it has contributed much to the awakening in several quarters of a realisation of the need for, and value of, a course of Physical Instruction for women. Further such tours cannot supply the continuous and regular physical training that is required - training that is essential in the interests of growing girls and which could be provided by the appointment of a qualified mistress placed in charge of the subject and other matters connected therewith, such as the organisation of school games. It may further be stated that no teacher whose main concern is the imparting of academic instruction can have either the time or knowledge necessary adequately to conduct Physical instruction of the school though her interest and participation in the training is of value - in other words there is need for a whole time Physical Training Instructress.

4. As regards the qualifications required of these Instructresses, I am of opinion that they should be secondary trained teachers with a year's course in Physical Training. This suggestion is made not only in the interests of Physical work but also with a view to enabling the teachers who take up ordinary teaching work when they get too old for conducting Physical Training.

5. As regards their pay, I consider that they should be allowed the standard scales of pay admissible for secondary grade trained women teachers viz., Rs.45-3-90 with a selection grade for

3: 3/ 3
20 per cent of the cadre on Rs.100.

6. There are 15 Government Training institutions (including the Lady Willingdon Training College) in the Presidency and if the above proposals are approved by Government, the creation of 15 posts of Physical Training Instructresses in the Secondary grade teachers' cadre will be necessary. The sanction for the creation of the 15 posts may have effect from July 1927 i.e., in 1927-28, as I propose to get the requisite number trained in 1926-27.

7. The financial effect of the scheme will be as follows:-

(a) Expenditure in 1927-28

Extra cost involved by the creation of 15 posts of Physical Training Instructresses (in the Secondary grade teachers' cadre) at Rs.45 each per mensem.

(Posts) $15 \times \text{Rs. } 45 \times 8 \text{ months} = \text{Rs. } 5400$

(b) Ultimate average annual recurring expenditure on account of the creation of 15 posts of Physical Training Instructresses in the Secondary Teachers' cadre.

(Posts) $15 \times \text{Rs. } 68\frac{1}{2} \times 12 \text{ months} = \text{Rs. } 12330$

8. With a view to providing qualified women for these posts, I recommend the opening of a class for Physical Training temporarily for one year (July 26 to March 27) to be attached to the Lady Willingdon Training College, Madras.

9. Miss Fearn, the Woman Specialist in Physical Instruction, would conduct the class with the help of an Assistant and the following proposals in connection with the establishment of a Physical Training centre in the Lady Willingdon Training College are submitted for the favourable consideration of Government.

10. Staff

The Woman Specialist will teach Physiology and hygiene besides arranging the course and carrying on some of the practical work. An Assistant will, however, be necessary to help Miss Fearn in conducting the classes, both in theoretical and in practical work, and without an Assistant it would be necessary to stop the

Woman Specialist's touring work - a course which is not desirable.

I therefore recommend that sanction be accorded for the entertainment of an Assistant (who will be a Secondary Trained teacher with Physical Instruction certificate) to Miss Fearn on the scale of pay allowed for Secondary Grade women teachers.

11. Accommodation

The proposed classes will be accommodated in the Lady Willingdon Training College and no additional accommodation or expenditure is necessary on this account.

12. Equipment

A sum of Rs.300 will be necessary for the purchase of books, anatomical charts and diagrams, while a further sum of Rs.1000 will be necessary for the purchase of Physical Training apparatus and appliances.

13. Stipends and Travelling allowance

The students admitted for the course may be granted stipends at the rates prescribed in Rule 117 Madras Educational Rules, while those of them that are deputed will be given allowances admissible under the rules.

A sum of Rs.300 under travelling allowance and conveyance charges will be necessary to meet the expenditure incurred by the students in connection with periodical visits to other schools in Madras for observation work.

14. The expenditure involved by the establishment of a temporary Physical Training centre in the Lady Willingdon Training College in 1926-27 will therefore be as shown hereunder:

Expenditure in 1926-27

Pay of one Assistant in the secondary grade teachers cadre to assist Miss Fearn at Rs.45 a month for 8½ months from 15th June

Rs.385

Stipends and allowances to the candidates

Rs.4158 *

* Stipends for 8 students at Rs.14 a month 8 x 14 x 9 months = 1008

Deputation allowance for 7 teachers at Rs.50 a month 7 x 50 x 9 months = 3150

4158

Travelling allowance	Rs.85
Conveyance charges (Miscellaneous)	215
Books, anatomical charts and diagrams	300
Apparatus and appliances	1000
Total ...	6143

or Rs.6100 in round figures

15. The cost of both the schemes is summarised below.

I. Expenditure in 1926-27

Cost involved by the establishment of a temporary Physical Training centre for one year in the Lady Willingdon Training College in 1926-27 to provide qualified women for the 15 posts of Physical Training Instructresses

Rs.6143 or Rs.6100 in round figures

II. Expenditure in 1927-28

Cost involved by the sanction for the creation of 15 posts of Physical Training Instructresses in the Secondary Teachers cadre.

15 x 45 x 8 months = Rs.5400

III. Ultimate annual recurring liability on account of the creation of 15 posts of Physical Training Instructresses in the cadre of women Secondary grade Assistants.

Posts 15 x Rs.68½ x 12 months = Rs.12330

16. The necessary provision for the charge in 1926-27 will be included in Part II of the Budget Estimates for that year.

17. I have only to add that, if the scheme succeeds, it is probable that aided schools for girls may desire the continuance of the training facilities for women. I cannot therefore guarantee that the expenditure estimated in connection with the training class will not ultimately become recurring, so far as staff and stipends are concerned, at least for a number of years until the supply meets the demand.

I have the honour to be,

S i r,
Your most obedient servant,

E. M. Bowel.

For Director of Public Instruction

C.No. 2347 C.

From the Director of Public Instruction, No.R.O.C.

313 A/25, dated 3rd August 1925.

Subject : - Training of a batch of physical training instructresses and the creation of 15 posts of such instructresses after training.

The D.P.I. submits proposals : -

(i) for opening a physical training class attached to the Lady Wellington Training College with a view to training 15 physical training instructresses, and (ii) for sanctioning 15 posts of physical training instructresses, one for each of the Govt. training schools for Mistresses.

2. The need for the physical training of pupils in girls' schools has been recognised. ~~There is~~ ^{the} employment of a women specialist - Miss. Fearn. Her functions are:

- (1) to organise physical training on approved lines in the three Govt. Secondary Training schools for mistresses in the Presidency town,
- (2) to give remedial treatment in all cases of physical defects such as incipient curvature of the spine, bad postures in walking and sitting etc.
- (3) to form a centre for the training of groups of teachers from the mufassal schools,
- (4) to introduce the girl guides movement into such schools as may require it.

3. ~~Ms Fearn~~ ^{She} entered upon her duties in 1922 and the present sanction ~~to~~ ^{for} her appointment lasts till the 7th January 1928. From the report of her work during the last few years it will appear that her activities have been confined mostly to schools in the Madras City and to a few ~~at~~ schools in the mufassal. Her work in the mufassal has necessarily been limited in scope. It is said however that her efforts have brought about an awakening to the need for and the value of a course of physical instruction for women.

3. In training schools for masters there is

2.2 of 2.
14545.
8.12.20

5.2.25
Removed for a file new in June
pp 6 to 16 (bnd)

4: para 3 - p. 2, c. 4

a full time physical training instructor. The object of the proposals now submitted by the Director is to provide an instructress for each of the Govt. training schools for Mistresses. At ~~the~~ present ~~moment~~ qualified instructresses are not available and so it is proposed to train a batch of 15 women teachers in the coming year, and to employ them after their period of training in the training schools for mistresses.

4 The Financial aspect of the scheme is examined below:-
Physical training class:-

It is proposed that Miss Fearn should organise a class in the Lady Willingdon Training College in July 1926. The ~~class~~ is to be temporary for one year in the first instance. Miss Fearn is to teach physiology and hygiene and to give lessons in practical work. She is to be assisted by an assistant ^{who will be} ~~in the~~ ^(with physical training instructress) ~~as a secondary grade teacher.~~ The details of the expenditure to be incurred in 1926-27 are as follows : --

- (a) pay of one assistant in the secondary grade ~~teacher~~ to assist Miss Fearn ..Rs.45. for 8 1/2 months from 15th June 1926 385
- (b) Stipends (8 stipends to private teachers at Rs. 14 a month for 9 months-Rs.1008
- Deputation salary for seven teachers in Govt. service while taking physical training course at Rs. 50 a month for 9 months 30 -Rs. 3150 2898 4158
- (c) Travelling allowance to candidates selected for training 85
- (d) Conveyance charges 215
- (e) Books, ~~and~~ ^{anatomic} charts and diagrams. 300
- (f) Apparatus and appliances 1000

Total : --- 6983 or 6,100 in round figures.

The expenditure provided for seems suitable

except in respect of (b) and (d) above. It is not clear whether there is need for the payment of as much as Rs. 50 a month to mistresses in Government service selected for physical training. The D.P.I. may be asked to explain the need for ^{such a high} ~~this~~ rate.

The provision of conveyance charges is apparently to enable the mistresses selected for training to visit institutions in the City of Madras periodically ~~in order~~ ^{and} to acquaint themselves with the conditions obtaining there. This point may also be ~~point~~ verified by a reference to the Director. A draft u.o. note is submitted.

5. Employment of physical training instructresses.

At present there are 15 training schools for mistresses maintained by the Govt. The Director's proposal is that the instructresses to be trained in 1926-27 should be ~~employed~~ ^{with effect from 1927-28} in these 15 schools. The pay proposed is that allowed for secondary grade trained mistresses namely Rs. 45-3-90 with a selection grade on Rs. 100 for 20 per cent of the cadre. Having regard to the special training which the instructresses undergo, the rate proposed seems suitable.

6. The file may be forwarded to the Finance ~~Dept.~~ ^{Dept.} for remarks. The estimate may be altered if necessary with reference to the reply that might be had from the Director to the reference proposed.

U.O. Note No. 2347C/25 dated 3-9.1925.

Opening of physical training class attached to the Lady Willingdon Training College: D.P.I's letter, R.O.C. 313-A/25, dt 3.8.25

In the proposals submitted by the Director provision is made for the payment of deputation salary, to seven mistresses selected for training in physical training classes at Rs. 50 a month. The teachers are to be of the secondary grade. The payment of a deputation allowance of Rs. 50 to them appears to be excessive. The need for the provision of Rs. 215 for conveyance charges has not been explained. The D.P.I. may be requested to offer his remarks on the two points raised above.

21/9/25

V.T.K.
3-9

D.P.I. u.o.

U.O. Reply No. 331-A/25 dt 19-9-25

As regards the first point, payment of a deputation allowance of Rs.50, I have no objection to this being reduced. I put down Rs.50/- as an outside estimate in consideration of the fact that in the women's branch there are a number of secondary grade teachers drawing high salaries. If Government think fit Rs.30 may be substituted for Rs.50. As regards the provision of Rs.215 under conveyance charges this was based on the recommendation of Mrs. Henderson, Miss Gerrard and Miss Fearn. They estimated this amount on the basis of Rs.24 per mensem for 9 months for the hire of 4 jutkas once a week to visit other schools in Madras.

Law (Edu) Dept

The D.P.I. states

p.4 ante that the deputation salary ~~allowance~~ may be reduced to Rs 30 a month. The expenditure required in 1926-27 as a result of the proposal will then be Rs. 4,900 (in revised figures). The provision of Rs 215 for conveyance charges is to enable the mistresses selected for training to visit other schools in the city, as mentioned in the office note at New page 3 ante. The file may now be forwarded to Finance for remarks.

Part II Scheme - 1926-27 -

Physical Training Instructresses -
Opening of a class and creation of
new posts.

The proposals are:-

(1) to open a Physical Training
Class for mistresses in the Lady Lillington
Training College (during 1926-27) and

(2) to create 15 posts of Physical
Training Instructresses ^{one} ~~extra~~ for each
of the 15 ^{Govt} Secondary Training Schools

in this Presidency.

2/ The extra cost involved in the
proposal is as shown below:-

	During 1926-27	
(a) 1. Secondary Grade Teacher for $8\frac{1}{2}$ months. at Rs 45 pm	Rs.	385
(b) Stipends for 8 Students @ Rs 14 pm for 9 mts.		1008
(c) Salary for 7 Secy Grade Teachers while undergoing Training @ Rs 30 pm for 9 mts		1890
(d) T.A. for ^{student} instructresses	Rs.	85
(e) Conveyance Charges ..		215
(f) Books, Charts etc ..		300
(g) Apparatus & Materials		1000
	Rs.	4883 or 4900 roundly
Ultimate cost p.a. Rs	Cost during 1927-28.	
(h) 15 Physical Training Instructresses (Secy Grade Cd. (4-3-90))	12330	5400

3. In the circumstances explained
by the D.P.I. Finance need not object to
the proposal going before the Finance
Committee as a Part II scheme for next
year.

4. The details of the proposals call for
the following remarks.

Item (a). Secondary grade Assistant:

The necessity for an assistant to this Fem,
the woman specialist, is explained in para 10
on pp 3-4 CF. This may be accepted.

Item (b): Stipends for 8 private students at

Rs 14 pm. The rate of stipend is
in accordance with that admissible under
rule 117 of the Educational rules - page 16

of G.O. 1212 (Law (Edn)) dated 24.7.24. If higher
elementary teachers are to be trained the stipend will be Rs 10 pm.

Item (c): 7 stipends at Rs 30 pm for Govt

teachers: The D.P.I. proposes to depute

secondary trained teachers for the training

Physical training. It is not clear why

higher elementary trained teachers cannot

be deputed for the purpose. In Boys'

schools, Physical training instructors

draw the same pay as higher elementary

trained teachers (viz Rs 25-1-50). If

higher elementary trained teachers are

deputed, their salary during training may

be fixed at Rs 20 pm. against Rs 30 pm proposed

for the secondary trained teacher. The Law (Est.) Dept. may be requested to examine this point.

Items (d) to (f) : may be accepted

Item (h) : 15 Physical training Instructresses.

These teachers will be required only from July 1927. The pay proposed (viz 45-3-90 with selection grade on Rs 200 for 20%) is on the assumption that secondary trained teachers will be employed. If, as suggested above, Higher Elementary trained teachers, can be employed on this work as in the case of Boys' schools, the rate of pay admissible will be only Rs 272-11-50 and the cost of the scheme will be considerably reduced.

5 If the above suggestions are accepted the extra cost in 1926-27 will be Rs 4000 for the training class, and Rs. 3300 in 1927-28 for the employment of 15 Physical training Instructresses.

VII

U. O. Note No. 2347e/²⁵⁻³ dated 26-6-25

c. f. Reference: Letter from the Director of Public Instruction, R. O. C. No. 313 A/25 dated 3-8-1925.
Subject: Training of Physical Training Instructresses

.....

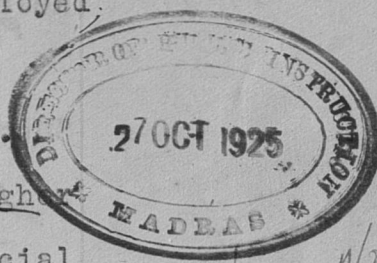

The Director suggests that the class of women teachers to be trained as Physical Training Instructresses may be of the secondary grade. In boys' schools Physical Training Instructors draw the same pay as teachers of the higher elementary grade, namely, Rs. 25-1-50. It is not clear why on this analogy it will not suffice to draw the teachers required for physical training in girls' schools from the ranks of higher elementary grade teachers. If higher elementary grade teachers will do, their pay during training may be restricted to Rs. 20, the stipend admissible to private teachers being Rs. 10-8-0 a month. After training the instructresses will be allowed the pay of higher elementary women teachers, namely, Rs. 27 $\frac{1}{2}$ -1-50.

2. The D. P. I.'s remarks may be obtained u. o. on the above suggestion.

24/10

26.10.25 VT 26.10

The Secretariat note rightly uses the word 'analogous' and not the word 'parallel'. It is not correct to assume that, because for certain work in boys' schools a certain class of teacher is employed, women of similar qualifications can or ought to be secured for analogous work in girls' schools. There is, as a matter of fact, not a supply of high elementary women teachers suitable for this special work and even if higher elementary women were available I would not recommend their employment, particularly in secondary and training schools for mistresses. This is a new venture in girls' education and it is essential, if the instruction is to become popular with ~~that~~ parents, students and pupils, that it should be in the hands of a teacher with sufficiently wide outlook, general education and tact. The qualities required are not to be found in higher elementary teachers and I would rather abandon the scheme than agree to their employment. Again, the suggestion in the Secretariat note would result in the extension to girls' schools of the vicious notion that for physical training any sort of instructor will do--- a notion responsible in no small degree for physical deficiencies in Indian boys. Finally, it may be remarked that in the case of a woman her active life as a physical training instructress is limited and it is advantageous both to education and to Government that such instructress should be able, when too old for physical training work, to turn to ordinary teaching in the school.

Note for the Finance Committee.

Part II Scheme: Budget Estimate for 1926 - 27.

Subject:- Employment of Physical Training Instructresses.

Proposals of the D. P. I.

Three D. P. I. ~~submits~~ ^{proposes}
(i) for opening a physical training class ^{at} ~~attached to~~ the Lady Willingdon Training College; and

(ii) for sanctioning 15 posts of physical training instructresses, one for each of the Govt. training schools for mistresses.

2. Opening of a physical training class.

It is a condition of recognition of boys' schools that there ^{should} ~~will~~ be a physical training ^{instructor} ~~Director~~ on the staff of the schools, and in all Government training institutions for masters there is a post of Physical Training Instructor. It is desirable that ^{condition} ~~the~~ ⁿ should be applied equally to secondary schools as well as training institutions for women. The need for ^{the} ~~physical~~ training of pupils in girls' schools has been recognised. There is a woman specialist in physical

Education - Miss Fearn. Her functions are:

- (1) to organise physical training on approved lines in the three Govt. Secondary training schools for mistresses in the Presidency town;
- (2) to give remedial treatment in all cases of physical defects such as incipient curvature of the spine, bad postures in walking and sitting, etc.
- (3) to form a centre for the training of groups of teachers from the mufassal schools; and
- (4) to introduce the girl guides movement into such schools as may require it.

Miss Fearn entered upon her duties in

1922 and the present sanction for the appointment lasts till the 7th January 1928. From the report of her work during the last few years it is seen that

her activities have been confined mostly to schools in the city of Madras and to a few schools in the mufassal. Her work in the mufassal has necessarily been limited in scope. It has, however, brought about an awakening to the need for and the value of a course of physical instruction for women. Regular and continuous physical training cannot be provided for by a woman specialist alone. This can be supplied only by the appointment of qualified mistresses in charge of the training schools and by the organisation of games, etc., in the schools. As qualified women are not available for the posts of physical training instructresses, it is proposed to open a temporary physical training class attached to the Lady Willington College from July 1926. The class will be conducted by the Woman Specialist with the help of a secondary grade Assistant teacher possessing Physical training certificate.

3 The creation of 15 posts of physical training Instructresses.

For each of the Government training institutions 15 trained Instructresses will in the proposed class will be available towards the end of 1926-27. It is proposed that 15 posts of physical training instructresses may be sanctioned with effect from 1927-1928, one to be in charge of each of the 15 Government training institutions for mistresses.

4 The extra cost involved in the proposal is as shown below:-

	Expenditure 1926-27 Rs	Expenditure 1927-28 Rs	Ultimate cost Rs
1 secondary grade teacher on Rs 45 a month for 8 1/2 months	385		
Stipends for 2 pupils at Rs 14 a month for 9 months	1008		
Salary for 7 secondary grade teachers while undergoing training			

at Rs 30 a month

Travelling allowance for students

Conveyance charges for the students for visiting schools in the city

Books, charts, etc.

Apparatus & materials

Pay of 15 physical training instructresses to be employed with effect from 1927-28 on Rs 45-3-90 a month with a selection grade at Rs 100

	Expenditure 1926-27 Rs	Expenditure 1927-28 Rs	Ultimate cost Rs
at Rs 30 a month	1890		
Travelling allowance for students	85		
Conveyance charges for the students for visiting schools in the city	215		
Books, charts, etc.	300		
Apparatus & materials	1000		
Pay of 15 physical training instructresses to be employed with effect from 1927-28 on Rs 45-3-90 a month with a selection grade at Rs 100		5,400	12,330
	4883 or Rs 4,900 roughly	5400	12,330

Note by the Law (Edn) Department.

The proposals of the Director may be accepted.

The provision of Rs 1,500 required for the year 1926-27 may be shown in the Budget Estimate as shown below:

31. A.d. Education - University - Govt. professional colleges - iv Training College for Women
