To The Secretary to the Government of Madras,

IN THE MINISTRY OF LAW (EDUCATION) Department.

MADRAS.

Sir,

With reference to para 5 of G.O.No. 1311 Law (Education) dated the 28th July 1925 asking me to address the Government separately on the questing of renting a building for the accommodation of my office, I have the honour to report that at the first instance in the year 1921, when the District Collector was in charge of the Office, the District Educational Officer was pleased to spare just a portion of the headquarters Deputy Inspector's Office room for its location much to the inconvenience of both the offices. The Collector who was then addressed, on the 9th October 1922, for a suitable accommodation in his office as contemplated in para 3 of G.O.No. 516 Law (Education) dated the 2nd April 1921, permitted its location in one of the veranda temporarily for a year, whereafter, he wanted the same to be --

vacated

vacated for the use of his office, which he reported to have been hard up for space without the verandah. The Office had therefore necessarily to be shifted to a portion of the Taluk Board's office, Tanjore, which was situated in the Srayer Chattram, on payment of rent to the Chattram Department at Rs. 10 per mensem, temporarily - for about a year, till the construction of a building of its own came to be completed. The Taluk Board having vacated the rented building on the 30th June 1924 for their own premises which could accommodate only their office staff, I had to remain there only on payment of a nominal rental, which the President, District Board - was pleased to fix as Rs. 3 per mensem from the said date to the - 30th June 1925, till at last, I secured the present suitable place for the office as well as for the meeting of the Council (in the Tanjore Rajah's Chattram wherein stands erected the Meeting Hall of the District Board) for a nominal rental of Rs. 4 per mensem -- in consideration of the fact that (1) unnecessary charges had to be incurred on account of conveyance of office records during each -- shift and meeting papers at all times to the meeting halls that had to be selected every now and then from among several public - offices in the town and that (2) this council could have so far had no free and suitable accommodation of its own to locate its office and its staff and to hold its meetings in.

2. Under these circumstances, I request that my action in having secured rented buildings from the 30th June 1924, much to the convenience of both the office and the Council, may kindly be approved - and a provision of Rs. 50 every year be sanctioned on that account.

3. A Statement of charges incurred during each of the years 1922 to 1926 on account of cart hire for removal and conveyance of office records is submitted, for favour of information, in support of my - action.

4. The Director of Public Instruction has also inspected the - buildings on his recent visit to Tanjore.

I have the honour to be,
Sir,
Your most obedient servant

From (Name) R. Littlehailes Esquire, M.A.,

To The Secretary to the Government of Madras

Law(Education) Department.

Sir,

In resubmitting herewith Government endorsement No. 4177 A-1 dated 5-11-25 I have the honour to state as follows

2. The District Educational Officer, Tanjore was consulted in the matter and he reported that, if necessary, the office of the District Educational Council, Tanjore, can be accommodated in a portion of the Government Educational buildings in the Sivaganga Fort, Tanjore. Thereupon he was asked to ascertain and report whether the President, District Educational Council, Tanjore was willing to remove his office to the Government buildings in the Sivaganga Fort on the grounds that the location of the Council's office adjacent to the Educational Offices will afford facilities for the speedy despatch of work and avoid much unnecessary correspondence.

8.
correspondence with the Educational offices. In the circumstances explained in his letter R C No. 3/26 dated 15-2-26 (copy enclosed) the President is not willing to shift the office to the Government buildings.

A m p. 2 anti
3. It is not possible to secure in a place like Tanjore suitable accommodation for the office of the District Educational Council for a lower rent than Rs. 4 proposed to be paid for the portions in the Rajah's chatram buildings. The present rented accommodation is quite adequate for the Council's office. Further the District Educational Council is permitted to hold the meetings in the District Board hall adjacent to its room.

4. In these circumstances I recommend that the action of the ^{President} District Educational Council in having rented a building for the accommodation of the office from 30-6-24 may be approved and sanction may also be accorded for the payment of a rent of Rs. 50 per annum. The amount involved is small.

I have the honour to be,

Sir,

Your most obedient servant,

Copy of communication R C No. 3/26 dated 15-2-26 of the President, District Educational Council, Tanjore to the District Educational Officer, Tanjore.

23 MAR-1926
R C No. 586/25 dated the 21st December 1925 re my office accommodation in the Sivaganga buildings.

With advertance to the Director's reference on Cur. No. 2435 B/25 dated the 17th December 1925 communicated in your letter quoted, I have the honour to enclose herein ^{for} favour of information and transmission to the Director, the resolution of the Council approving of the present accommodation and requesting the Government to sanction a monthly rental of Rs. 4/-. The present occupation is, in all ways, cheap and comfortable and all the more convenience for the business of the council, since it is situated quite beside the District Board Meeting hall, where in the meetings of the council are held and which is in easy reach of all members coming from out station and affords them temporary lodging there as it is the only public building available for travellers very near to the Railway station. Further all office records and papers connected with the business of the Council are available for their ready reference, which facility cannot at all be satisfactory secured if the office is located elsewhere far off from the meeting hall even after incurring a small amount of conveyance ^{change} on meeting days which alone will amount to not less than Rs. 15 per annum. The meetings as you are aware, are generally conveyed on days when District Board members meet, lest it should end in a heavy charge to the state under travelling allowance. The business of the council is regularly carried on then and there as the presence of some of the members at the District Board who are also the members of the Council does in addition to the other members ^{from} coming/out stations ensures the requisite quorum for our meetings since our meetings are ordinarily held in the very hall after the District Board meeting is over.

I If as you say our meetings are conducted in your office hall ~~may~~ many a meeting will have to be adjourned for want of requisite

The said resolution was passed after mature consideration and deep deliberation. It is therefore reasonable and desirable that the office should be allowed to continue in the present place both in the interests of economy and public administration and I therefore request that the provision of Rs. 50 that has been made in the budget for 1926-27 in the revised estimate for the current year may be recommended for sanction.
