Sir,

Submitted.

2. The credit taken for Provincial contribution in the Revised Estimate for 1924-25 under the proviso to section 37 of the Madras Elementary Education Act of 1920 should be reduced to Rs.4518 with reference to G.O.No.165 Law (Education) dated 5-2-25. The unspent balance of Rs.444 which stood to the credit of the Corporation on 1-4-24 and which was adjusted in G.O.No.165 Law (Education) dated 5-2-25 should be shown under a separate item as "appropriation

3. In the Budget Estimate for 1925-26 the Corporation has taken credit for the proceeds of Education cess and also for an equivalent ^{amount as} ~~and as~~ Government contribution under section 37. The credit taken for the proceeds of the Education cess is allowed to stand in anticipation of the ^(M)sanction of Government being accorded for the levy of the cess. But the credit taken for the Government contribution cannot be allowed to stand as it is payable only in the official year next after that in which the tax is levied.

p7 infra
4. In clause (3) of the resolution passed at the special meeting of ^{the} Corporation held on 20th January 1925 it has undertaken to contribute annually Rs.2,40,000 out of its general revenues towards ^{the} elementary education fund; but in the Budget Estimate for 1925-26 the Corporation has taken credit only for an amount of Rs.2,26,000.

5. It is observed from the details of the municipal establishment that the Corporation has debited to the elementary education fund, the pay of three Sub Assistant Surgeons and two clerks. The Sub Assistant Surgeons are intended for the medical inspection of schools and orders are requested as to whether this item of expenditure should be debited to the elementary education fund or to the charges relating to ~~the~~ Public Health. As regards the clerks, the expenditure is inadmissible and attention is invited to G.O.No.1766 Law (Education) dated 18-11-24 in which the request of the Municipal Council Conjeevaram to debit to the elementary education fund the pay of a clerk has been rejected.

p5 infra
6. The suggestion of the District Educational Council to employ a special officer in addition to the Superintendent of Schools needs further investigation.

p13 infra
7. It is further observed that provision has been made in the budget estimate for 1925-26 for the opening of three industrial schools from 1-8-25. Since the opening and maintenance of Industrial schools does not come within the purview of the

Madras

(3)
Madras Elementary Education Act of 1920 the expenditure from the Elementary Education fund is not permissible.

M.S.R/17-2-25

Forwarded to Government with the following

resolution passed at the meeting of the Madras District Educational Council held on Thursday the 26th February 1925:

III. "That the Budget Estimate for the year 1925-26 showing the income and expenditure relating to the Elementary Education Fund, be forwarded to Government with the opinion of the Council that before education is made compulsory and universal in any part of the City, it is absolutely necessary that in addition to the present Superintendent of the existing Corporation schools, a special officer should be entertained by the Corporation with a view to see that all children of schoolgoing age are persuaded to be at school with the minimum of inconvenience to their parents and guardians and with a view to educate public opinion and to guide the parents in the adjoining divisions to which the provisions of Sec. 44 of the Act are sought to be applied in the immediate future and that the Government do invite the Commissioner of the Corporation to make the necessary amendments at page 6 of the Budget statement setting forth the schedule under Sec. 91(1) of Madras Act IV of 1919 and to obtain the sanction of the Council of the Corporation for the employment of a special officer with duties as indicated above".

Budget - 1925-26 - Elementary Education Fund - Corporation of Madras

Refce.: Letter from the Commissioner, Corporation of Madras, G. D. C. No. 1971/24, dated 17-2-25.

A copy of the endorsement of the Director of Public Instruction, R.O.P. No. 11-B-3/25-26, dated 11-3-25 is communicated to the President, Corporation of Madras, who is requested to revise the budget estimate for the year 1925-26 of the Elementary Education Fund under the control of the Corporation with reference to the remarks contained therein and also in the light of the following observations:-

(i) The Government are advised that as the law stands, expenditure on account of the medical inspection of pupils in the elementary schools under the control of the Corporation and the employment of a separate clerical establishment for maintaining the accounts relating to the Elementary Education Fund should not properly be debited to the Elementary Education Fund. It is also not permissible to debit to the fund expenses on account of industrial schools.

(ii) The provision on account of the items mentioned in sub-paragraph (i) above should accordingly be deleted and the budget revised so as to leave no deficit.

2. A copy of the budget as fine

finally approved by the Corporation should
be submitted to Government at an early

From (Name) Dr. S. Swaminadhan,

(Designation) President, Madras District Educational Council.

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

In paragraph 1 of Government Order No. 758 Misc. dated 11th May 1925 it is distinctly laid down that the Madras Corporation should contribute every year from its general revenue to the elementary education fund a sum not less than Rs. 2,40,000/- At page 2 of the Budget Estimate of the elementary education fund of the Corporation of Madras for the current year 1925-26 it is however stated that the appropriation from the Revenue Account of the Local Authority for the Elementary Education Fund is only Rs. 2,26,000/-. On inquiry it is found that since the Government prohibited the Midday feeding of poor and hungry children, the Corporation saw fit to deduct Rs. 14,000/-.

24

In the opinion of my Council this deduction is unjustifiable. To earn a contribution from the general tax-payer of rupee for rupee, it is a condition precedent the Corporation should continue to spend on Elementary Education a sum not less than Rs.2,40,000/- I therefore request that the Government in passing orders on the Budget of the Corporation forwarded by me on 27-2-1925 will see its way to insist that the Corporation do contribute from its general revenue at least the minimum of Rs.2,40,000/- instead of Rs.2,26,000/- as provided in the Budget.

I have the honour to be,

Sir,

Your most obedient servant,

M. M. Srinivasulu

Budget - 1925-26 - Elementary Education Fund - Corporation of Madras -

In regard to the question raised in paragraph 5 of the Director's endorsement it has been decided in G.O.No.1765 Law (Education), dated 18-11-1924 that it is not permissible to debit to elementary education fund the pay of clerks employed on the work administration of the fund and that such establishment charges should come out of the general revenues of the local body. This decision will apply to the corporation also. The propriety of debiting to the elementary education fund the cost of the medical inspection of pupils in the elementary schools under the control of the Corporation is difficult to decide. The question may be referred to the Advocate General. A draft memo is submitted.

2 So far as the Corporation budget is concerned, the budget results in a large deficit owing mainly to the circumstances that the Corporation was provided for expenditure

counting on the payment in the current

year itself of the contribution equivalent

to the pounds of the Education cess.

As the levy of the cess is to commence

only in the current year, the Govt.

contribution is payable only in the next

year. The budget has to be returned

to the Corporation for revision so that there

may be no deficit. A draft Memo
