Quarters for the D.F.O., Coimbatore

The scheme was placed before the Finance Committee ~~last year~~ in connection with the current year's budget. Note for the Finance Committee

Part II Scheme - 1926-27.

Subject: - Construction of quarters for the District Educational Officer, Coimbatore.

Proposal of the Director of Public Instruction.

The D.P.I. submits an estimate for Rs. 19,200 for constructing quarters for the District Educational Officer, Coimbatore, on the Red Fields Site.

Note by the Law (Education) department.

Difficulty has been experienced in securing suitable residence at Coimbatore for the Dist. Edl. Officer of that place. On some occasions the Govt. have had to permit him to live in Coonoor or Kotagiri. The question of constructing quarters for him at Coimbatore has been engaging the attention of Government for some time past. The proposal was included as part of a general scheme for providing quarters in the Red Fields Site for officers stationed at Coimbatore. In August 1923, the D.P.I. was asked to submit plans and estimates for the construction of quarters for the officer. In October 1923, the Director requested the Govt. to make some provision for the purpose in the budget for 1924-25. But as they he did not then submit the necessary plans and estimates, no provision was made in that year's budget.

2. On 15-4-24 the D.P.I. submitted plans and estimates for the work amounting to Rs. 48,600. The estimate was not considered as it was not thought desirable that the residence should be based on a standard type design. The P.W.D. subsequently furnished two designs, one for the main building and another for the out-house. The cost of a residence with outhouse based on these designs was estimated at Rs. 19,200. The D.P.I. to whom the plans were sent for remarks suggested some minor alterations which were not however calculated to increase the cost of the building appreciably. The scheme

was placed before the Finance Committee in connection with the budget for 1925-26. The Committee placed it in class III. Class III schemes were not provided for in the budget.

3. To the cost of the building (Rs. 19,200) has to be added, for purposes of valuation, the cost of the site estimated roughly at Rs. 4,740. The permissible limit for quarters for a Dist. Educational Officer of the Indian Educational Service based on his average pay (Rs. 1,068-2/3 per mensem) is Rs. 15,087<sup>ad</sup> against the estimated cost of Rs. 23,940 including the site. But it has not been possible to restrict the cost to the permissible limit. It is considered desirable to proceed with the scheme next year. As ~~however~~ the work may not be completed within a year it is considered sufficient to provide Rs. 10,000 in the next year's budget.

Note by the Finance Department.

The proposal may be placed before the Finance Committee as a Part II scheme for 1926-27.
