ENCLOSURES.

R. C. No. 40 B/26

Station Madras, Dated the 29-1-26 192

From (Name) R. Littlehailes Esq., M.A.,
(Designation) Director of Public Instruction,
Madras.

To The Secretary, to the Government of Madras,
Law (Education) Department.

Sir,

plank
In resubmitting herewith the Government
Endorsement No.1 A-1 dated 6-1-26 I have the honour to
state that under rule (5) of the rules framed under
Section 26 of the Madras Elementary Education Act of 20
each District Educational Council has to send to the
Director in July, a report on the condition of Elementary
Education in the District in the previous year. The
reports are being reviewed separately. The report
together with my review thereon is printed and copies
are being sent to the educational officers in the District
the District Educational Council concerned, the local
authorities in the District and also to Government.

2. In regard

regard to clause (i) of the councils' resolution, I may state that I propose to issue in April a consolidated report based on the reports received from District Educational Councils and this report will be placed also as an Appendix to the Public Instruction Report.

I may also state in this connection that at present the District Educational Councils furnish the report in any form they like, as there is not a prescribed form or prescribed statements. In the case of local bodies they have to furnish particulars in prescribed forms along with their administration reports. The issue of a consolidated report will be much facilitated if statistics are furnished in prescribed forms. I therefore also propose to request the District Educational Councils to submit with their reports in future statistical particulars in forms prescribed by me.

3. Until the general report mentioned above is issued, the District Educational Councils will be supplied with reports from the District Educational Councils of adjoining districts.

4. At present only the Proceedings of the District Educational Councils are being published in the District Gazette free of cost. The publication of the report in the District Gazette will give wider publicity to the working of the District Educational Councils. Under para 169 of the Madras Printing Manual, the reports of local bodies are being published as supplement to the District Gazette. I therefore recommend the councils' resolution.

I have the honour to be,

Sir,

Your most obedient servant,
