GOVERNMENT HOUSE.

Madras.

Dear Mr Krishnamachari,

I am to
send you herewith enclosed an
application from Dr Mallik for the
post of Vice-Chancellor of the
Andhra University.

Yours sincerely

(Signature)

M.R.RV.Rao Bahadur V.T.Krishnama
Achariyar Avl.,

SECRETARY

MUSLIM UNIVERSITY,
ALIGARH.

Dear Sir,

In view of the proposed ^{Andhra} University, may I
invite the kind attention of His Excellency the Governor,
to the exceptional claims which I may venture to
put forward for the post of Vice-Chancellor? I beg
to explain that the late Mr. Montagu cabled to
Lord Jelmsford in 1920 and again to H.R. Lambton
in 1921, strongly recommending me for the post of
a Vice-Chancellor (a Director of Public Instruction) on the
strength of a recommendation from Sir J. J. Thomson,
Master of Trinity College, Cambridge.

The enclosed statement of my qualifications
or testimonials from late Sir J. J. Thomson
will, I trust, be considered satisfactory.

Yours truly
D. V. Mallik

Senate House

Calcutta.

3

I have intimately known Dr. D.N. Malik for many years past in various spheres of activity, particularly as a Professor of Higher Mathematics and Physics, as a University Examiner and as a Member of the Senate. As a teacher of Mathematics and Physics, his reputation stands very high, and I can recall the names of few who could equal him in the beneficial influence he has deservedly exercised upon successive generations of students. His original contributions, which have been published in Journals of recognised position, bear testimony to the depth and solidity of his learning. As an Examiner and as a Member of various administrative bodies in the University, he has furnished abundant evidence of his capacity for work and his conscientious devotion to duty. His varied learning, wide experience and ripe judgment admirably qualify him for responsible appointments of the highest grade in the academic sphere.

Sd/- Ashutosh Mukerjee

The 16th April 1924.
