The Minister of Education,

Madras.

Sir,

I, the undersigned, Sakarlal Vrijlal Shah of Baroda most humbly bring the following to your kind notice.

Last November I have passed the Ph.D. examination of the Goettingen University here in Germany. Chemistry was my principal subject and Physics & Botany were my subsidiary subjects. My research work was in the organic branch of Chemistry. In the Examination I secured a second class. Before coming to Germany I already passed the B.Sc. Examination of the Bombay University and there also I secured a second class. For the present I am working in the colour laboratory of the Dye-making firm "AGFA" here in Berlin. My age is 24 years now.

After a short period I intend to return to India and therefore I beg to ask your honour whether you can tell me if there be any vacancy in your Department. In such a case please to consider this

as my application, as it takes a long time for letters to go
from India to Germany & vice versa.

If you want any detailed information about me please to refer
to my brother Mr. D.V. Shan, B.A.L.L.B., Pleader, Pratap Mardha's
Pole, near Leheripura, Baroda.

I enclose copies and translations of the certificates which
I have received from my professors in Germany.

Hoping to receive a favourable reply.

I beg to remain,
Sir,
Your most obedient servant,

Sakaril Vrijlal Shah

Mr. Sakaril Shah has worked under me from winter
term 1922/23 to winter term 1923/24 in this institute.
He has enhanced his knowledge in the analytical as well
organic preparative chemistry which he had in his country
up to the standard required here for beginning independent
research work. Mr. Shan was marked out on account of his
hardworking habit and trustworthiness in all his
observations. He is intelligent enough to bring out
something of worth in pure as well as applied science.
