To The Secretary to the Government of Madras

Law(Education) Department.

Sir,

In their order No.Misc.1778 Law(Education) dated 19- 11- 24 the Government directed that Mr.Henry Hussey, Sergeant in the Queen Mary's College for Women, Madras should be warned, that normal rent will be recovered from him under the rules for the quarters occupied by him. The Principal, Queen Mary's College for Women, Madras reports to me with reference to the above order that the Executive Engineer, South Presidency Division has provisionally fixed the normal rent for the Sergeants quarters at Rs.23 per mensem and want her to recover the difference of rent due from the Sergeant from 1- 8- 24 subject to adjustment later on of any further differences

differences when the rate of rent is finally fixed' (please vide copy of the Executive Engineer's letter No.2626 M dated 10- 11- 25 herein enclosed).

2, The Principal states that it is impossible for the Sergeant to pay out of his low pay of Rs.52/- per mensem the normal rent for the quarters. She further points out that the present improved condition of the college compound is due to the Sergeant's constant stay there and that if he should have to vacate the quarters owing to his inability to pay normal rent it would be very disadvantageous to the college. She therefore recommends that sanction of Government be obtained for levying rent for the quarters in question at 10% of the Sergeant's salary in lieu of normal rent.

3. I strongly support the Principal's recommendation and request that in the circumstances stated by the Principal, the Government be pleased to sanction the levy of rent at 10% of the salary for the quarters occupied by the Sergeant in lieu of normal rent as ordered in the G.O quoted at the beginning of this letter.

I have the honour to be,

Sir,

Your most obedient servant,

Copy of letter No.2626 M dated 10th November 1925 of the Executive Engineer, South Presidency Division, Madras to the Principal, Queen Mary's College for Women, Madras.

I have the honour to inform you that the Accountant General insists upon recovery being effected from the Sergeant at the normal rate of rent for the building occupied by him from the date of his occupation. I have provisionally fixed the normal rent at Rs.23/- per mensem and I request you to recover the difference of rent from the Sergeant from 1-8-24 subject to adjustment later on of any further difference, should the rate of rent finally fixed by Government differ from the one I have now fixed provisionally. I am awaiting information from the Commissioner of the Corporation regarding the property tax assessed on this building to submit a data statement for the sanction of Government.

R. C. NO. 489/25 dated the 13th November 25

Submitted to the Director of Public Instruction, Madras in continuation of this office R.C.No.489/25 dated 10- 11- 25.

It is impossible for the Sergeant to pay a rent of Rs.23 per mensem out of his low pay of Rs.52. It is strongly recommended that sanction of Government may be obtained for recovering rent only at 10% of the Sergeant's salary.

Sir.

With reference to Government Memorandum No.

Rent for the quarters occupied by the Sergeant.

tion), dated 19-11-1924, especially M₂'s note at

page 22 of the G. O. relating to the concession of

three quarters to the Sergeant in the Queen Mary's

College for Women, Madras. It was directed in para-

graph 2 of the G. O. that Mr. Hussey, the Sergeant,

should be warned that normal rent ~~will~~ ^{would} have to be to

The Director now states that it is ~~necessary~~ ^{desirable} that the

In 1924, the D.P.I. recommended the grant of free quarters to the Sergeant. But his recommendation was not accepted. Vide G.O. 1778 Law of 19.11.24. Please also see Hm. M2's note on p 22 of G.O. 1778. Whether the building should be allocated to the Sergeant or not is a matter within the discretion of the Govt. Ordinarily it may seem extravagant to allocate a building, the standard rent of which is Rs 23 p.m., to a Sergeant ^(a pay of) Rs 52 p.m. But if the building can be put to no better use it will be open to the Govt. to allot it to the Sergeant and if they decide to do so, then only 10 per cent of the occupant's emoluments may be recovered when the standard rent is more - vide F.R. 45 (b). If Law (Edn) propose to reconsider the order in G.O. 1778 Law of 19.11.24, Finance need not object on the assumption that the building ^{cannot} be put to any better use.

'A' in p. 2 ante

The Finance department suggests that the quarters should be allotted to the Sergeant if they cannot be put to better use. In this case only ten per cent of the Sergeant's emoluments will be recoverable from ^{him} ~~the Sergeant~~ as rent. As the Sergeant has to live in the premises of the college in the interests of the institution, the grant of the concession should not, it is submitted, be made to depend on the question whether the quarters can be put to better use or not. For orders where information on this point should be obtained from the D.P.I.

As Finance have attached the condition to their approval we must first ascertain this. If on receipt of reply we find that the building could be put to better use

That there is no other building which can be assigned to the Sergeant, we can then ask Finance to sanction the 10 per cent rent as a special case. Please draft ref. 19.12.25

~~Director~~ ~~for perusal~~ 19.12.25

In October 1924 the Director

reported that the Sergeant could not get quarters near the College.

From his present letter it appears that, if a concessional rate of

rent is not granted, the Sergeant will have to vacate his present quarters. It would,

therefore, appear that no other suitable building ~~can~~ be assigned to the Sergeant. However, the

information required at B. in p. 3 ante may be called for.

The Director states that the quarters occupied by the Sergeant at present cannot be put to better use and that there is no other suitable building which can be allotted to the Sergeant. The quarters may be allotted to the Sergeant so that only ten per cent of his emoluments may be recovered as rent. For a similar case, please see Govt no. 362 & 10.3.26. A draft order is submitted for approval.

The file may be sent to Finance for acceptance of the draft. P.W.D. has already accepted the proposal.
