555 Demand XIX-Education (transferred)

Mr. K. Abdul Hyse Sahib. 2 L. A. 679B 192/26

671. To reduce the allotment of Rs. 1,15,700

for Government Secondary schools by Rs. 100

(To discuss the inadequacy of pay which teachers in this province are paid).

Law (Education) Department

The mover apparently refers to the pay of teachers in secondary schools. It is not known whether he refers to Govt secondary schools only or to all classes of schools. The pay of teachers in Govt secondary schools is as follows-

B.A.L.Ts

12 percent ~~un~~ of the posts 150-10-250

40 percent -do- 100-10-150

48 percent -do- 75- 5-100

Secondary trained teachers

Male teachers 35-35-1½-50-1-60

Female teachers 45-3-90 with a selection grade on Rs. 100.

There is a proposal separately under consideration for improving the pay of B.A.L.Ts so that persons who start on Rs. 75 may rise up to Rs. 150 without stopping at Rs. 100 as they have to do at present. ~~This will~~ ~~improve~~ improve the position of the pay of teachers in Govt secondary schools.

2. As regards schools under local bodies and private agencies, the improvement of the pay of teachers in these schools is a matter primarily for the consideration of those bodies and agencies. If any local body is unable to improve the pay of teachers without special aid from

Government and if it applies to Govt for aid, such application will be duly considered. As regards aided schools the extra cost on account of revision of pay will be shared equally by the management and the Govt.

3. The mover ^{may perhaps compare the pay of teachers} ~~states the salary of teachers~~ _(with the pay in this Presidency) in other provinces. The pay of teachers in a locality is determined with reference to the conditions obtaining in that locality and it does not appear that the Govt will agree to a revision of the pay of teachers on the analogy of the rates in force in other provinces.
