Dr. P. Subbarayan:-

p 223.

699. To reduce the allotment of Rs. 2,21,700 for Government Secondary Schools by . . . Rs. 100/-

(To discuss the general policy of Secondary Education in the Province and to plead for the establishment of a school on the model of Dehra Dun in this Province).

Law(Education) Department

It is not known what the mover has to say in regard to the general policy of secondary education. As regards the establishment of a school on the model of the one at Dehra Dun it is presumed that the mover refers to the Prince of Wales Royal Indian Military College Dehra Dun. This ~~College~~ ^{was} institution ~~is~~ established by the Govt of India with the object of obtaining suitable candidates for the Royal military College, Sandhurst. A copy of the pamphlet setting out the course of training etc, in the Institution is put up. It will be seen therefrom that the average boy should join the college at the age of 12 and leave it at the age of 18. The institution is financed from the Military Budget. If a similar institution is required in this presidency the Govt. of India should be moved on the subject. It does not appear that such an institution will be -- established by the Local Govt. The file may be submitted to the Hon'ble the Minister.
