Station Usalampatti, Dated the 8th February 1926.

From (Name) M.R.Ry. Rao Sahib J.A. Vethanayaka Devar Avl.,
(Designation) President, Taluk Board, Usalampatti.

To The Secretary to the Government of Madras,
Law (Education) Department.

Sir.

The scale of pay now in force for trained teachers of Secondary Grade, employed under the Usalampatti Taluk Board, having been found to be inadequate, the Board resolved in its Proceedings No.255 of 1925-26, dated 28th September 1925, to increase the emoluments. The scale, as it now stands, and that revised are ^{as} detailed hereunder:-

	Male teachers.	Female teachers.
Present scale	A Rs. 30- 1-40	A Rs. 35- 1-45
Revised Scale	A Rs. 35-1 $\frac{1}{2}$ -50	A Rs. 40- 2-60

to whom the Board was communicated for
sanction, has written back to say, that Government might be
addressed on the question, in pursuance of the opinion of the
Director of Public Instruction, expressed in his report on the
Elementary Education Survey for 1924-25. Permit me to enclose
herein an extract, from the report of the Director of Public
Instruction, bearing on the subject for ready reference. This
Taluk Board has set apart Rs.14,920/- out of its general funds,
^{which} that amount to only Rs.72,000/- or 20 per cent of its ordinary
income, for Elementary Education. An education tax also is being
levied by the Board, which, with the equivalent grant is also
available for expansion of Elementary Education. The Elementary
Education Fund of this Taluk Board, as constituted under section
34 of the Elementary Education Act, 1920, is made up of the
education tax, school fees, Government grant under section 37 and
the contribution from the General Funds, besides other minor items
of receipts. The total income under these heads as per actuals
of the year 1924-25 is Rs.1,05,488/-, the expenditure for the
same period worked out to Rs.79,525/-. The additional cost, likely
to be involved by giving effect to the proposal, may not exceed
Rs.1,600/- a year on an average, the average being worked out for
15 teachers. This expenditure, it will be seen, will not reduce
to any prejudicial extent the proceeds of the education tax,
merged in the Elementary Education Fund, to the detriment of the
expansion of the Elementary Education within the Taluk Board area.
The Director of Public Instruction has suggested to the Government
the reasonability of permitting the Taluk Boards to utilize a part
of the proceeds of the Education tax, in meeting the cost of
revising the pay of the teachers.

I beg to request therefore, that Government will be pleased

to accord

Extract from the report of the Director of Public Instruction, Madras. on the Elementary Education Survey of the Madras Presidency 1924-25.

"The proceeds of the education tax realized by local bodies and the equivalent Government contribution paid to them are to be utilized in the expansion of elementary education, e.g. in opening new schools, and not in revising the scales of pay of the teachers employed in the existing schools. - Seeing that the proceeds of the special taxation are credited to the elementary education funds under the control of local bodies, there is little danger of the funds being diverted - for purposes other than elementary education. In these - circumstances and in view of the fact that the pay of teachers under the employ of taluk boards is much below the scales laid down by Government, the taluk boards which apply for it may be permitted to utilize a part of the proceeds of the education tax in meeting the cost of revising the pay of their teachers."
