to reduce the allotment of Rs. 8,71,500 or pay
of establishments by Rs. 100

- (1) To raise the question of admitting Depressed
Classes boys free in schools.
- (2) To raise the question of compensating the
loss sustained by schools under rule 92 of
the Madras Educational Rules

Law (Education) Department.

(1) Under rule 92 of the Madras Educational Rules poor
pupils of the depressed classes are eligible for half
fee concessions. Besides these, special scholarships
and fee remissions have been provided for them by the
and Education
Labour departments. It is also proposed to institute
scholarships for this community tenable in the
collegiate classes and a provision of Rs. 2,000 has
been made for this purpose in the budget estimate for
1926 - 1927. It will thus be seen that the Government
are already providing all possible facilities for the
education of this community. *In addition to the above*
In all the depressed
classes boys are to be admitted free in schools it
will throw a heavy burden on Provincial revenues
in the shape of loss of *the* income *in* government schools
and payment of grant-in-aid to aided schools. It may
be noted in this connection that Mr. Veeriah has
given notice of a token motion on the same subject.

(2) At present in calculating the payment of
grants-in-aid to aided schools on account of the ~~net~~
fee income foregone under rule 92 of the Madras Edu-
cational Rules the standard rates *or* the actual rates
of fees levied whichever is lower are taken. It has
since been *represented* that in some institutions the fees
levied are higher than the standard rates and that ~~the~~
the existing provisions of the Grant-in-aid schools

179

do not permit of ~~the reimbursement~~ ^{the actual} income foregone by the management ^{of such institutions} on account of the admission of pupils at concession rates. ^{a suggestion} has been made that the actual loss should be made good. This point ~~is under consideration~~ and the Director has been asked to furnish an estimate of the additional cost involved by the adoption of the proposal.
