960. To reduce the allotment of Rs.95,000 for School for Biharis Government Training Scholarships and Stipends by Rs. 100-

(To draw ~~all the~~ attention to the invidious distinction made so as to give the lowest rates of stipends to Indian Christians, while all other communities, Europeans, Anglo-Indians, Hindus, Muhammadans and Depressed classes get higher rates especially in the case of females.)

Law (Education) Deptt.

Ordinary rates of stipends are given to Indian Christian masters and mistresses and Hindu masters while undergoing training of the elementary, secondary and collegiate grades and to Muhammadan masters and Depressed classes masters and mistresses undergoing training of the secondary grade. It cannot therefore be said that Indian Christians only are given the lowest rate of stipends. Two considerations enter in the fixing of the rate of stipends:-

- (i) ^{the} backwardness or otherwise of education among the community in question, and
- (ii) the different standards of living and expenses which are normal to the different classes of the communities ~~in the State.~~

The M.L.C. has already given notice of a question ~~as~~ asking the Government to state on what grounds the stipends to Indian Christian mistresses are fixed at a minimum, while Hindus, Muhammadans, Europeans and Anglo-Indians are allowed special rates. It has been noted in that connection that the enhanced stipends are not given to Indian Christians (masters and mistresses) on the ground that as a class they

cannot be ~~the~~ called educationally ~~the~~ backward. The file has been sent to the D.P.I. for remarks.
