P.V.S. 10/4

Letter from the Principal, Teachers' College, R.C.No. 305 D/25 dated 7th April 1926, to the Director of Public Instruction, Madras.

I have the honour to state that orders for the supply of apparatus, chemicals etc. were placed with Messrs Baird and Tatlock London in July 1925 and they supplied all the articles except one item- balances. These balances have now been sent by post and customs duty of Rs.12-5-0 has been levied. One of the conditions contained in the order sent from this office is that all packages should be sent through the Agent for Government Consignments and these articles have been sent contrary to this condition.

2 In accordance with the instructions contained in Proceedings R.O.C.No. 1136 A/25, dated 31st March 1926 no stores from England have to be imported by post. I request therefore to be informed whether I may take delivery of the parcel and whether arrangements can be made by the Director for paying the customs duty of Rs.12-5-0 ~~for~~ from the allotment for the current year. I request the favour of orders before the end of this week so as to avoid the risk of any demurrage charges. The invoice received from the firm is enclosed for reference and return. It is strongly recommended that I may be permitted to retain the parcel as it has actually arrived.

3 In future the suppliers will be invariably informed that articles consigned through post will not be accepted under any circumstances.
