Sir.

With reference to the G.O. No 1369 mis --
dated 25-8-24, I have the honour to state that
in para 2 of the letter of the Director of ---
Public Instruction Madras it is stated that in
cases where the defects in view of which origi-
nal recognition was granted temporarily were --
remedied the recognition may be continued as --
also grant-in-aid, the latter being subject to
the receipt of the prescribed application for
aid. Accordingly for the Deputy Inspectors of
schools were requested to examine the tempo-
rarily recognised schools in their concerned --
Ranges and report to the District Edu-

Educational Council whether the defects on account of which temporarily ~~recognised~~ recognition was granted, were remedied or not. Deputy Inspectors furnished the lists of schools which had remedied the defects. The grants were paid to them as per G.O. No 1369 dated --- 25-8-24. Afterwards i.e., after the lapse of some months some other schools, which had not remedied their defects by the time we called for the information, remedied the defects just before the close of the official year 24-25 and the managers are now requesting for payment of grants of the year 23-24 on the ground that they have remedied the defects. The applications for aid for those schools were received in proper time. But defects were not remedied by the time we called for information. So it may be informed whether the grants may be paid to such schools also for the year 23-24. In other words w----- whether the grants of a certain ~~year~~ year may be paid to temporary recognised schools if they remedied their defects at any time in the same year or at any time in the succeeding year or years. This doubt has arisen in cases of payment of grants of the year 23-24 to certain temporary recognised schools which have remedied the --- defects this year.

So I request the Government to enlighten me on the matter.

I have the honour to be,

Sir,

Your most obedient servant,

Sir.

In resubmitting herewith Government endorsement No. 3540 A-1, dated 21st September 1925, I have the honour to state as follows:

2. It is reported that there are only five schools of the kind referred to by the President, District Educational Council, Ganjam for payment of teaching grants for 1923-24. The schools were recognised temporary^{il} up to 1st April 1923 for want of accommodation at 7½ sq. ft per pupil as prescribed by the District Educational Council. Attention is in this connection invited to G.O.No. 2074 Law (Education) dated 5th December 1925. The temporary recognition accorded to the schools was not continued for 1923-24 but the schools were kept on the unrecognised list for 1923-24
