(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir.

In G.O.No. 4002 L & M dated 31st October 1925, the term 'marked ability' was ordered to be deleted from the rules relating to the grant of fee concessions in respect of Municipal schools with a view to bringing the rules governing the grant of fee concessions to poor pupils in secondary schools managed by District Boards and Municipal councils into uniformity. But in regard to aided secondary schools under private management, the term 'marked ability' is still retained with reference to G.O.No.1346 Law (Education) dated 19th September 1921.

2. As it is not desirable to treat the two rules in -- respect of schools under public and private managements

differently I have the honour to request Government to adopt the ~~same~~ wording for all secondary schools.

I have the honour to be,

Sir,

Your most obedient servant,

R. S. Subramanian
for Director of Public Instruction

Ten per cent fee concessions in secondary schools

In G.O.No. 1346 Law (Education), dated the 19th September 1921, the Government decided to accept the following recommendation of the Educational Conference of 1916, *applicable to secondary schools under private management*

"That for the purpose of granting fee concession to indigent pupils of marked ability, expenditure by managing bodies on scholarships up to a limit of 10 per cent of the fee income reckoned at standard rate be considered as legitimate expenditure for the purpose of assessing the grant that might be paid to a school, provided that the scheme for the award of scholarships or fee concessions has received the approval of the Director of Public Instruction."

The necessary amendments to the Grant-in-aid code were ordered in G.O.No. 1604, dated the 10th November 1921.

2. The question of extending the above fee concessions to pupils in Board and Municipal Secondary schools was considered last year and orders were issued in the L.S.G. Department authorising local bodies to grant the concessions in ^{these} schools ~~under their management~~. In doing so, that department approved a suggestion made by the District Board, Nellore, that the restriction that the fee concession should be granted to pupils of marked ability ~~should be removed~~ ^{should be removed}. Accordingly under the rule issued by the L.S.G. Department, the fee concessions may be granted to poor pupils irrespective of the question of their ability.

3. The Director of Public Instruction now proposes that a similar relaxation of the rule should be made in the case of schools under private management also. When the question of introducing the 10% fee concessions in these schools was under consideration the question whether it should be limited to pupils of marked ability was discussed. ~~It~~ ^{It} was one of the subjects ~~considered~~ ^{considered} by ~~the~~ a conference of inspectors in 1914. The conference
