Starred Question No. 1669 (1951 B.) was answered on 19th March, 1926. A revised answer to the same question was received in the office on 19th when the earlier answer was practically given in the Council. It was thus too late to substitute the revised answer to the above question. It has also been ascertained from the Department concerned that no action need be taken regarding the revised answer. For orders whether it may under the circumstances be returned to the Law (Education) Department.

Communal representation in the office of the Inspectress of Girls' Schools, Coimbatore.

* 1669 Q.—Mr. R. VEERIAN: Will the hon. the Minister for Education be pleased to state how many Brahman clerks and how many non-Brahman clerks are appointed in the office of the Inspectress of Girls' Schools, Coimbatore?

A.—The Government have no information. A report has been called for.

Mr. A. RANGANATHA MUDALIYAR:—"Is it the idea of the Government that there should be proportionate representation of different communities not only in each department of the whole province but in each office of the department also?"

The hon. Rao Bahadur Sir A. P. PATRO:—"The question does not arise out of the answer given."

Mr. A. RANGANATHA MUDALIYAR:—"In answer to the question how many Brahman clerks and how many non-Brahman clerks there are in the office of the Inspectress, the Government say that a report has been called for. There must be something behind that answer and I take it, it is to see whether there is adequate representation of the communities. So, may I ask whether it is the idea of the Government that there should be proper representation of different communities for the province not merely in each department but in each office?"

The hon. Mr. N. E. MARJORIBANKS:—"That does not represent the idea."

The report referred to in the answer was received from the S.P.D. and the information was furnished to the M.L.E. vide the S.O. at page 6 ante. The papers may now be order 789 8/5.5.26
