Sir,

Submitted.

2. As observed by the District Educational Council the credit taken for Provincial contribution in the Budget Estimate for 1926-27 under Section 37 of the Madras Elementary Education Act of 1920 will be liable to revision with reference to the proceeds of the Education cess actually realized in 1925-26. As regards the remarks offered by the District Educational Council on the sum of Rs. 7245 taken credit for in the actuals of 1924-25 under Section 37 it may be allowed to stand in view of the fact that this amount has been shewn under this item in the audited figures for 1924-25 please see G.O.No. 85 R Law

2

Law (Education) dated 1-2-26. The sum of Rs. 4290 taken credit for under the same item in the Revised Estimate for 1925-26 is allowed to stand, as it corresponds to the amount actually realized as Education Cess in 1924-25 and reported by the Examiner of Local Fund Accounts.

3. The sum of Rs. 19,370 taken credit for in the Revised Estimate for 1925-26 as Government contribution under the proviso to section 37 is allowed to stand subject to revision with reference to the actual amount to be paid towards the payment of the temporary allowance of Rs. 4. The credit taken under the same item in the Budget Estimate for 1926-27 will be liable to revision with reference to the savings, if any, out of the subsidies paid in G.O.No. 877 Law (Edn) dated 23-5-25 and 1550 Law (Edn) dated 4-9-25.

4. The sum of Rs. 12,200 promised for payment on the post payment system in G.O.No. 1622 Law (Edn) dated 16-9-25 has been taken credit for in the Revised Estimate for 1925-26 as "Government grants" under "Capital". There is no likelihood of the disbursement of the full amount this year as the Board has not yet reported the actual expenditure incurred on the execution of the work. The credit taken therefor will have to be reduced with reference to the actual amount to be paid and the balance may be taken credit for in the Budget Estimate for 1926-27. The expenditure of Rs. 4,215 incurred in 1924-25 has been met from the balance available under "Ordinary" receipts. The sum of Rs. 14,215 referred to in the District Education Council's remarks is an error ^{for} Rs. 4,215.

5. A sum of Rs. 720 has been provided both in the Revised Estimate for 1925-26 and in the Budget Estimate for 1926-27 towards the entertainment of a Supervisor.

3 3

The expenditure is to be met from the Board's general revenues. Though it can be debited to the Elementary Education fund, in view of the strengthening of the subordinate inspecting agency, no separate Supervisor under the Taluk Board seems necessary. The provision may therefore be deleted.

6. The sum of Rs. 10,550 shown as the opening balance in the summary also includes the balance available under "Capital" which should have been shown separately.

Short title Budgets - Ely. Edn. Fund - 1926-27 - Local authorities -

Read—the following:—

Budget Estimates of the Elementary Education Fund
under the control of the several local authorities in the Ramnad
District for the year 1926-27.

Resolution. Recommended to be forwarded to the
Director of Public Instruction, Madras, with the following remarks

1. RAMNAD TALUK BOARD.

The years quoted in the heading in all the three cases
are presumed to be clerical errors.

The credit taken under "Education Tax" in the actuals
for 1924-25 is far in excess of the credit taken under "Contri-
bution from Government", under section 37 of the Act. These two
figures should ordinarily be the same. Contribution from general
revenues of the Board should be raised to 13,530 in the revised
estimate for 1925-26 and Budget estimate for 1926-27.

Refunds and unspent balances have not been explained.

The total estimated receipts for 1926-27 are only Rs.
74,970/- and under salaries and allowances, the estimated expenditure
is Rs.71,230/-. This item of recurring expenditure should be much
less unless any revision of pay with retrospective effect is
proposed to be sanctioned.

The Board should be well advised to draw a building
programme as the expenditure under "Rent" is expected to increase
much.

The enclosures have not been furnished.

2. SIVAGANGA TALUK BOARD.

Receipts.

Actuals of 1924-25.

Credit taken under section 37 of the Act should be reduced to Rs.1,547/- as per G.O.No.Mis.934, Law (Edn) dated 5th June 1925. The sum of Rs.7,245/- paid under this head in G.O.No.Misc.309, Law (Edn), dated 3--3--1925 was only an advance liable to subsequent adjustment.

Revised Estimate for 1925-26.

Credit taken under realization from Education Tax is far in excess of the actuals of previous years and has to be accounted for. Credit for an equal amount under section 37 in Budget Estimate for 26-27 is liable to revision with reference to the amount of Education cess actually realized in 1925-26.

Credit taken under the Proviso to section 37 is Rs.19,370/-. This amount excludes a sum of Rs.2,896/-. It is stated as per orders of G.O. in G.O.No.105, Law (Edn), dated 5-2-25 but in G.O.No.Mis.934, Law (Edn) dated 5--6--25 which is of a later date, the Board has been permitted to take credit for that amount as appropriation from Government grant unspent balance.

The sum of Rs.2,000/- shown under "Refunds" needs explanation. A sum of Rs.14,215/- is shown under "Capital Expenditure" in the Actuals for 1924-25 without any provision on the credit side and a sum of Rs.31,860/- has been provided in the revised estimate for 1925-26 against an expenditure of Rs.27,640/-.

DEVAKOTTAI TALUK BOARD.

There is a balance of Rs.1,000/- under "Capital" in the Actuals of 1924-25 and it is not stated as to how it should be utilised.

In the revised estimate for 1925-26 and the budget estimate for 1926-27, on the debit side, a sum of Rs.6000/- is shown under "Capital" without a corresponding provision on the credit side under the same head.

The provision under "Contingencies, Equipment" in the revised

Estimate for 1925-26 and the budget estimate 1926-27 would appear to be far in excess of the actuals of 1924-25.

Summary has not been given.

SIVAKASI TALUK BOARD.

The Board would be well-advised to levy education cess within its area.

In the budget estimate for 1926-27, on the credit side, under "Capital" is shown Rs.200/- without any corresponding entry on the credit side under the same item.

Credit may be taken for Rs.3,744 instead of 3,720 under temporary allowance of Rs.4/- per mensem as per Proceedings R.C.1282-B-25 dated 4-11-1925 of the Director of Public Instruction, Madras.

SRIVILLIPUTTUR MUNICIPALITY.

The expenditure was in excess of the receipts in 1924-25 -- Rs 8,275 minus Rs.8,058 or Rs.217/-. In the revised estimate, a saving of Rs.9,130 minus Rs.8,550 or Rs.580/- is expected. The budget estimate for 1926-27 would result in deficit of Rs.9,680 minus Rs.9,220/- or Rs.460/-.

The Council may consider the question of the levy of Education Tax.

VIRUDHUNAGAR MUNICIPALITY.

May be approved.

SIVAKASI MUNICIPALITY.

Contribution from the general account of the Municipal Council under "Ordinary" in the revised estimate for 1925-26 and budget estimate for 1926-27 should be raised to Rs.2,300/- as approved in G.O.No.1160 Law (Edn) dated 15-7-1924.

On the debit side Rs.15/- and Rs.105/- are shown in the revised estimate for 1925-26 and budget estimate of 1926-27 respectively without

corresponding entries on the credit side. This expenditure is probably to be met from the savings under "Capital" - amount left unutilised in 1924-25.

The question of levy of Education Cess is once again recommended to the consideration of the Council.

Sd. G.J. Gomez, S.J.,
Vice-President and
Presiding Officer.
