Station Ootacamund Dated the 10th April 1926

From (Name) Lieut-Col. J.P. Cameron, C.I.E., I.M.S.,

(Designation) Inspector-General of Reformatory Schools.

To The Secretary to the Government of Madras

Law (General) Department.
Fort St. George, Madras.

Sir,

(B)

The Government, in G.O.No. 180, Mis., Law (Genl) dated the 5th February 1926, having postponed for consideration my proposal for the employment of an Assistant Superintendent in place of the Sergeant attached to the Reformatory School, Chingleput, I addressed the Accountant-General, with reference to Rule 11 (3) Jail Manual, to enquire if there was any audit objection to the transfer of an European Warder on Rs.80-2-100 to the Reformatory and Senior Certified School, Chingleput, to do duty as Sergeant on Rs.80-2-100, and to replace him by the Sergeant from the Reformatory School. My object is to send at once to the Reformatory School a man who is more suitable to carry out the duties of Sergeant.

until my proposal for an Assistant Superintendent can be sanctioned. The Accountant-General is of opinion that the sanction of Government is necessary for the proposed change. I need not reiterate what has already been explained in my letter No. G/35, dated the 19th January 1926. No extra - expenditure will be involved by the change, as the Sergeant will draw the pay of his appointment. I have the honour to request that Government may be pleased to sanction this - exchange being effected as a temporary measure.

I have the honour to be,

Sir,

Your most obedient servant,

Lieut-Col, I. M. S.
Inspector-General of Ref. Schools.

The J. G's proposal to transfer a
European warden on Rs 80-2-100 from
one of the jails to the Reformatory School
in exchange for the Sergeant sanctioned
for the school.

2. Attention is in this connection
invited to the discussions in G.O. No 5
Law (Eds) of 4.1.26. The J. G's proposal to
appoint an Asst. Supd. (Eq. jailor's rank)
on Rs 75-5-150 in lieu of the Sergeant
(pay Rs 50-2-80) was negatived by the Govt
for the reason that the Reformatory School
is mainly 'Educational' in character
and that it was unnecessary to appoint
a highly paid officer to assist the
Superintendent in addition to the
head master on Rs 75-2-50. The J. G.
again came up to Govt. for a

re-consideration of the orders, but the 2^d ly.
was asked to renew his proposals in
connection with the budget for 1927-28.

3. Though the present proposal is
stated to involve no extra expenditure,
it amounts to the substitution of a
sergeant on Rs 80-100 in place of one
on Rs 50-80 sanctioned for the school,
and the necessity for the higher paid post
for the school has not been accepted by
the Govt. As the exchange is only as a
temporary measure, Finance need not
perhaps, object to the proposal provided
it is not adduced as an argument for
raising permanently the pay of the
Sergeant's post in the school.

It is not stated from
which institution the European
sergeant is to be transferred to
the Reformatory. I have no objection
to this temporary arrangement, but it must
