Sir.

With reference to G.O.No.268 Law (Education), dated 19-2-23 approving with certain modifications the changes proposed in regard to the Sanskrit Entrance Examination I have the honour to state that the 1st Sanskrit Entrance Examination Board (under the new arrangement) consisting of 2 officials and 3 non-official members was constituted at the end of April 1923. The term of office of this Board expires by the end of the current month and the Board has to be reconstituted with three new non-official members.

2. Of the three non-official members of the Board, one is to be elected by the Principals of Sanskrit Colleges approved by the Madras University for Oriental

(R) Ref: G.O.No. 814, Law (Education) dated 10th May 1926
sanctioning the extension of the term of non-official members
of the Sanskrit Entrance Board, nominated by the University.

for (R)

In para 3 of my letter R.C.No. 125 F/26, dated 27th April
1926 permission was sought for the extension of the term of
the existing non-official members of the Board till the end of
September or until 2 other members are nominated by the new
Academic Council. But in the above G.O., Government sanctioned
the extension of the term of membership of the present non-
official members, who are nominees of the university only. As
stated in my letter referred to above the 3rd non-official
member of the Board has been elected by the Principals of
Sanskrit college. But the result has not been formally
communicated by me on the presumption that Government would
approve of my recommendation to extend the term of membership
of all the three non-official members and that the newly
constituted board would begin to ~~function~~ ^{function} only by the end of
September. As the Board, I understand, is to meet immediately
kindly let me know whether revised orders will issue extending
the term of membership of all the three existing non-official
members in the Board.

A very urgent reply is solicited.

In his letter on pages 1 and 2 of G.O.No. 814 dated 10-5-26, the Director pointed out that there was likely to ^{be} delay in the election of two members of the Sanskrit Examination Board by the Academic Council of the University. The term of membership of the old members elected by the University was therefore extended up to the date when the new members would be elected by that body. The Director ~~now~~ states that his intention was that the term of membership of the 3rd non-official member on the Sanskrit Examination Board should also be extended. The necessity for this is not clear. The third member ^{is one} ~~was one~~ elected by the Principals of ^{Sanskrit} colleges. The Principals have made the election and there is no reason why the new member should not be asked immediately to take his seat on the Board. The following reply is for approval.

To The D.P.I.

Your message of the 18th instant regarding the term of membership of the non-official members of the Sanskrit Entrance Examination Board. It is not proposed to extend the term of membership of the third non-official member on the Board. The new member elected by the Principals of ~~the~~ Sanskrit colleges may be asked to take his seat on the Board.
