The Secretary to Government,
Law (Education) Department,
Fort St. George, Madras.

Sir,

I recently paid a surprise visit to the Government Training School at Mint Street, Madras. I am immensely pleased to see the same. The Hostel is conducted in an efficient manner owing to earnest interest evinced both by the Head Master and the House Master in several aspects. The adi dravida Hostel students are very happy and cheerful.

2 It will not be out of place to mention, in short that the length of previous service of the Head Master for about 21 years in the department would entitle him to a xxx place in the M. E. S. I leave the matter entirely in your hands in the hope that you will kindly favourably consider the matter.

3 Further I find that the House Master discharges both the functions as Hostel manager and Warden. As a Warden he has been given free quarters; but as a Hostel manager in maintaining the accounts and some other registers

in a neat and satisfactory manner he has not been given any remuneration. It seems an experiment was tried some time ago to leave the management of the Hostel in the hands of the students themselves with a view to train them up in the matter but it proved unsuccessful owing to internal trouble among them. I am also of opinion that it will not be feasible to entrust the work to some Hon'ble Worker, and I therefore trust that some remuneration may be paid to him either monthly or yearly; so as to satisfy such an individual who is earnestly devoting all his time towards the efficient management of the Hostel intended for the members of the adi dravida community.

I have the honour to be,

Sir,

Your obedient servant,

R. Veerian

C. No. 1160 C - From Mr. Veerian, M.L.C., dated 9-4-1926.

Government Training School, Madras.

Paragraph 2 of the letter.

According to the latest 'Quarterly List of Educational Officers' the Headmaster of the Training School for Masters, Madras, is M.R. Ry. N. Swaminatha Ayyar. He is a B.A. L.T. and a school assistant of the I grade drawing a pay of Rs. 230 in the scale of Rs. 150 - 10 - 250. As observed by Mr. Veerian this officer has put in a service of 21 years. Mr. Veerian would like to have the officer promoted to the M. E. S. in consideration of his efficient work in the school. This recommendation has to be considered in relation to the claims of the other members of the service who are also fit for promotion to the higher service. No special action is necessary. An report may be sent to the D.P.J. Paragraph 3 of the letter.

For hostels attached to educational institutions ~~at the colleges~~ it is not the practice to allow a manager remunerated from Provincial funds in addition to the warden. In the case of the hostel attached to the school in question ~~it was recommended that~~ the warden ~~is~~ a member of the staff of the school living in the same flat as the inmates of the hostel. He ~~is~~ therefore allowed to retain the concession of free quarters in consideration of the supervision of the hostel entailed on him. According to a report received from the Director in December ~~1924~~ 1924 the hostel had a strength of 34 pupils and if the warden (House master as described by Mr. Veerian) ~~had not been free quarters~~ ^{given} he would have been eligible for a remuneration of Rs. 15

a month according to the scale of remuneration laid down in paragraph 7 of G.O. No. 1344 Law (Education), I 6-8-1925. It is unlikely that the Government would be prepared to sanction a remuneration to the warden in addition to the concession of free quarters. If the warden finds it difficult to do the work of keeping the accounts of the hostel it is open to him to ^{employ} ~~have~~ a manager and to remunerate him ^{out of} ~~from~~ subscriptions collected from the inmates.

A draft reply to Mr. Veerian is submitted.
