The Secretary to Government,
Law, (Education) Department,

Sir,

With reference to para 4 of G. O. No. 2110 Mis; dated 10th December 1925 informing me that the question of providing - funds for the printing of lists of Elementary schools will be considered in connection with the Budget for 26-27, I have the honour to state that the cost of printing 300 copies of the list in the - manner prescribed by Government, viz., Rs.900/- claimed by the - Superintendent, Government Press, in his letter No.U. 479 dated 7th September last, seems to be excessive. I am inclined to think - that if the work is entrusted to a private press in localities where there is keen competition, we may be able to get the same number of copies printed for Rs.600/-. If Government agrees with my proposal the work of printing the lists will be entrusted to a private press in the event of Government making due provision for the same in the Budget for 1926--27.

2. The Budget proposals will be submitted to Government towards the close of the month.

This may lie over till the B.E. for 1925-26
of the Council is taken up for disposal.

S i r,

With reference to your Reminder No.1 dated
8--4--26 re- the printing of Elementary school lists, I have the
honour to state that a reference was made to the Superintendent, -
Government Press, Madras, enclosing an estimate for printing the -
lists from Messrs. Bright & Co., Bangalore, who are also Local Board
Printers for some of the local boards in the District. The approx
mate cost of printing the lists including binding comes to Rs.596/-

2. The Superintendent, Government Press, has
returned the same, asking me to invite more tenders and forward -
them to him. I have invited tenders and so far I have not receive
any. The press in question was selected by me as desired in Gove
ment Memorandum No.109-A--1 dated 23rd April January 26. The work
executed by the press is generally done neatly and expeditiously.

Government Press.

The President, District Educational Council, Salem,
was asked to invite more tenders in order to minimise the
total cost of printing the list of elementary schools.
Since he could obtain no more competitive tenders, there is
no other alternative but to accept the estimated cost of
Rs 596/- tendered by Messrs. Bright & Co., Bangalore in view
of the fact that the estimate in question is somewhat
cheaper than this office.
