Building and Equipment Grants.

D.P.D. Councils.

8 p 231 of CBE

① Included in the provision
of Rs. 58,400 for equipment
grant - p. 231 of CBE

A provision of Rs. 40,000/-
and of Rs. 7,000 has been made
in the Budget Estimate for 1926-27
for the payment by district
educational councils of
building and equipment
grants respectively to aided
elementary schools. The
D.P.D. is informed that no
further provision can be found
in 1926-27 over and above this
provision and that he should
therefore confine the disbursements
~~under this head~~ ^{confine the disbursements} to with reference
to this provision and not im-
liabilities beyond.

PART III SCHEMES - 1925-26.

District Educational Councils.

Grants-in-aid -General - Voted -Miscellaneous-

Non-recurring:-	(Equipment	16,000
	(Buildings.	45,000

C No. 3447A

Law (Govt), Dept
Subject Part II Schemes - 1926-27.
 Building and equipment grants to D.E.C.

The following Statement shows the amount of grants actually disbursed to D.E.C. during the three years ending with 1924-25:-

	1922-23 Rs	1923-24 Rs	1924-25 Rs
Building grants	48,500	95,493	4,12,477 1,903
Equipment grants	9,500	18,114	10,000 6,850

Some of the D.E.C. had large unspent balances of grants disbursed prior to 1925-26. It was considered that these balances would be sufficient to meet the demand for grants in 1925-26 from the managers of aided elementary schools in the districts concerned. To meet the requirements of the D.E.C., this Dept. asked that a provision of Rs 15,000 should be provided alloted in the current year's budget under "Building grants" and Rs 5,000 under "Equipment grants". The Finance Committee also recommended that the proposal should be ~~considered~~ ^{treated} as a Class II Scheme. No provision was however included in the current year's budget ~~for this purpose~~ as the Finance Dept. held that it was too late to do so.

2. The D.P.D. now recommends that a provision of Rs 45,000 for building grants and Rs 10,000 for equipment grants should be included in the next year's budget. He has not submitted details as

p 36g - do -

U.O. Reply No. 2018/13/25 19/25

Building and equipment grants to aided
elementary schools are in the majority of cases
sanctioned and paid by the D.E.Cs concerned.
Consequently detailed schemes for each district
are not easy to estimate. The lump sum of
Rs.45,000 under Building and Rs.16,000 under
Equipment suggested to Government for inclusion
in Part II of the Budget Estimate for 1926-27
was arrived at after taking into account the
aggregate demands of the D.E.Cs.

L. Cu 35794
21/9/25

A statement showing the unspent balances
standing at the credit of these Councils on
1-4-1925 out of the building and equipment
grants paid in the previous years is attached
to this note. The statement in Cols.3 and 6
includes the cost of schemes sanctioned by the
D.E.Cs or by Government inclusive of grants
promised to be paid when funds become available.
It will be observed that a few D.E.Cs would be
able to pay the promised grants out of the
unspent balances standing with them, while in
the case of a few others the promised or sanc-
tioned grants are in excess of the unspent
balances remaining with them. As the schemes
have been sanctioned by the D.E.Cs they are
liable to pay on the production of proper vouch-
ers or on the due execution of works. The schemes
were sanctioned prior to 1-4-1925 and include
arrears grants, if any. In respect of buildings
the aggregate cost of the sanctioned schemes is
in excess of the total unspent balance. As no
grant is to be distributed in the current year
towards building and equipment owing to want of
budget provision the unspent balances remaining
with the Councils will be considerably reduced

by the end

by the end of the year on account of the sanctioned schemes or promised grants. Again new applications for grants will be received in the course of the year and an additional amount will have to be provided to meet such cases. The total demand over and above the unspent balances is Rs.72,050 under Buildings and Rs.21,706 under Equipment. In these circumstances the lump sums of Rs.45,000 and Rs.15,000 respectively are not excessive.

Part II Schemes - Building and Equipment Grants to D. E. Cs.

The statements at X below show the amount spent by each District Educational Council on 'Buildings grants' and 'Equipment grants' during each of the years 1922-23, 1923-24 and 1924-25. The average expenditure per year is also shown in the statements. In view of the large balances remaining with the Councils, no provision was made in the current year's budget for the payment of Building and Equipment grants by District Educational Councils. The amount to be placed at the disposal of ^{each} District Educational Councils, for the purpose, in 1926-27 ^{should} be not less than twice the average expenditure incurred by ^{it} in the last three years, *as no large demands are standing over owing to absence of provision in the current year's budget.*
Building Grants.

2. Calculated on the above basis, the minimum amount required for the payment of Building grants by District Educational Councils ⁱⁿ ~~1926-27~~ ¹⁹²⁶⁻²⁷ is ~~Rs 40,467/-~~ ^{Rs 40,467/-} as shown in the statement on page 7 infra. The total of the demands made by the District Educational Councils for the payment of Building grants in 1926-27 however comes to Rs 1,50,476/- (including the unexpended balance of Rs 95,492/- remaining with them) In view of the large demand made by the District Educational Councils, the Director of Public Instruction recommends the provision of Rs 45,000/- in the next year's budget. The amount recommended is not excessive, and may be supported in this Department.

CBE 1925-26.

Under the Elementary Education rules, building and equipment grants to private elementary schools are disbursed through the District Educational Councils, who have been vested with powers to make such grants. Up to 1924-25, lump provisions used to be made in the budget for the purpose on the D.P.I.'s recommendation based on the demands received by him from the various District Educational Councils.

Page 1A of G.O. 821 dated (w) (T)
15-5-25

Page 24 of Grading

c.f. Page 213 of
C.B.E. 1925-26

as when the decision was reached it was too late to include provision.

2. The D.P.I. and the Law (Education) dept. now bring forward a Part II demand for 1926-27 of Rs.45,000 for building grants and Rs.16,000 for equipment grants.

The Law (Education) dept. have calculated that the amounts to be provided in the next year's budget will be Rs.40,500 (round) and Rs.7,300 (round) assuming that each District Educational Council is to be allowed in 1926-27 twice the average amount disbursed by it in the past three years. But on the basis of the figures settled as a compromise between M-2 and the then Finance Member last year, the Part II demand for 1926-27 will have to be limited to Rs.30,000 for building grants and Rs.10,000 for equipment grants which are twice the amounts settled, but not provided for, in 1925-26. This dept. may therefore suggest that the demand for 1926-27 for building grants should be limited to Rs.30,000, and that for equipment grants to Rs.7,300.

	95492	46280	40467	17253	9810	7347

2. It will be seen from the foregoing statement that on 1-4-25 there was a total unspent balance for the Presidency of Rs.95,492 relating to building grants and Rs.17,253 relating to equipment grants. As payments will be made by the individual

D.E.Cs. during the current year from the balances relating to their districts, the amounts that will remain with the D.E.Cs. on 31-3-26 will be less than the above amounts. Sections 28 to 31 of the Madras Elementary Education Act contemplate each District Educational Council having its own fund, and do not provide for any transfer of funds from one D.E.C. which has large unspent balances to another. In order to enable each D.E.C. to spend in 1926-27 twice the average amount spent by it during the past three years, the amounts to be provided in the B.E. for 1926-27, after taking into account the balances remaining with the individual D.E.Cs., are Rs.40,467 for building grants (to be distributed among eight D.E.Cs.) and Rs.7,347 for equipment grants (to be distributed among 12 D.E.Cs.). Law (Education) however propose to make a Part II demand for 1926-27 of Rs.45,000 for building grants and Rs.16,000 for equipment grants.

Finance may suggest that the demands for 26-27 be restricted to Rs 40,000 for building & Rs 7000 for Equipment.

Law (Ed), Dept

This dept. calculated the amounts to be provided in the next year's budget at Rs 40,500 (in round figures) under 'building grants' and Rs 7,300 under 'equipment grants'. But in view of the large increase made by the D.E.Cs this dept. supported the suggestion of the B.P.D. that a sum of Rs 45,000 should be provided for buildings and Rs 16,000 for equipment grants. The Finance dept. proposes to restrict the provision to Rs 40,000 and Rs 7,000 respectively. The sum of Rs 40,000 for buildings may be accepted, but the provision of Rs 7,000 suggested for by Finance for Equipment grants seems to be too low compared with Rs 16,000 asked for by the B.P.D. Perhaps this dept. may press for at least Rs 10,000/- ^{Finance may be asked for remainder.}

Order No 38899 BE I
31-10-25

Submitted with reference to the Secretary's note dated 28-10-25 on page 13 ante. While the Law (Education) dept. agree to the demand for building grants being fixed on the basis of the average amount disbursed by the District Educational Councils during the past three years, they demur to the same criterion being

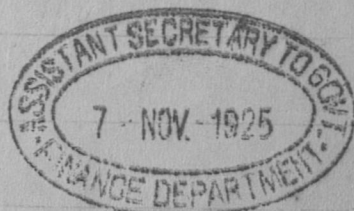

Finance (B.E.I)

17
-15-

applied in respect of the demand for equipment grants. As it is important to prevent money being locked up by District Educational Councils, Law (Education) may be requested to restrict the demand for equipment grants to Rs.7,000. If, as a result of actual experience during the course of next year, it is found that the District Educational Councils disburse more grants than they were able to do in the past, a supplementary demand may then be made. On the basis of the materials now furnished, there does not seem to be a case for fixing the amount at more than Rs.7,000.

Note for the Finance Committee.

Part II Schemes for 1926-27.

Subject:- Buildings and Equipment grants to District Educational Councils.

Proposals of the D. P. I.

District Educational Councils - Grants-in-aid -
General - Voted - Miscellaneous.

Non-recur- ring.	Equipment	16,000
	Buildings	45,000

Building and Equipment grants to aided elementary schools are in the majority of cases sanctioned and paid by the District Educational Councils concerned. The total ^{demanded for 1926-27 in part} ~~sanctioned~~ schemes sanctioned by the D.E.C. or by the Government, ~~inclusive~~ inclusive of grants promised to be paid when funds become available, is Rs 1,50,476 under 'Building grants' and Rs 36,026 under 'Equipment grants'. There are unspent balances standing at the credit of the Councils out of the grants paid in previous years. The total of such unspent balance on the 1-4-25 was Rs 95,492 under 'Building grants' and Rs ^{17,253} ~~17,253~~ under 'Equipment grants'. A few D.E.Cs. ~~would~~ ^{will} be able to pay the promised grants out of the unspent balance remaining with them, while, in the case of ~~others~~ others, the promised or sanctioned grants are in excess of the unspent balance remaining with them. As the schemes have been sanctioned by the D.E.Cs, they are liable to pay ^{the grants} on the production of proper vouchers or on the due execution of works. ~~the~~

~~_____~~. In respect of buildings, the aggregate cost of the sanctioned schemes is in excess of the total unspent balance. As no grant is to be distributed in the current year towards building and equipment owing to want of budget provision the unspent balances ~~_____~~ with the Councils ^{at 1-4-25} will be considerably reduced by the end of the year ~~on account of the sanctioned schemes or promised grants~~. Again new applications for grants will be received in the course of the year, and an additional amount will have to be provided to meet such cases. The total demand over and above the unspent balances is Rs 72,050 under 'buildings' and Rs 21,706 under 'equipment'. In the ^{above} circumstances, a lump sum of Rs 45,000 under 'buildings' and Rs ^{16,000} ~~52,000~~ under 'equipment' ^{maybe} included in the Budget Estimate for 1926-27.

Note by the Law (Education) Department.

The following statement shows the amounts of grants actually disbursed to D.E.Cs. during the three years ending with 1924-25:-

	1922-23	1923-24	1924-25
Building grants	48,500	95,493	43,150
Equipment grants	9,500	18,114	16,850

Some of the D.E.Cs. have large unspent balances of grants disbursed prior to 1925-26. Taking these balances into account, this Department suggested that a provision of Rs 15,000 ^{might} ~~should~~ be made in the current year's budget under 'building grants' and another sum of Rs 5,000 under 'equipment grants'. The Finance Committee also recommended that the proposals should be treated as a class II scheme. The scheme was however ^{treated as a class II} ~~_____~~ and no provision was made in the current year's budget under these heads.

~~_____~~ for the payment of building or equipment grants by District Educational Councils.

The average of the grants actually paid by District Educational Councils in the triennium ending ^{with} 1924-25 is Rs 46,280 under 'building grants' and Rs 9,810 under 'equipment' grants. As no provision ^{has} ~~was~~ been made in the current year's budget for the payment of building or equipment grants, the amount to be placed at the disposal of D.E.Cs. in 1926-27 should be not less than ^{three} the average expenditure incurred by each D.E.C. in the last three years. Calculated on the above basis, and taking also into account the unspent balances remaining with the D.E.Cs, the amount required for ~~the~~ payment of building grants by D.E.Cs. in ~~under~~ 1926-27 is Rs 40,467. The amount required in 1926-27 for payment of ^{equipment} ~~equipment~~ grant is estimated at Rs 7,347. A lump sum of Rs 40,000 for ~~the~~ payment of building grants and a sum of Rs 7,000 for ~~equipment~~ equipment grants may be included in the Budget estimate for 1926-27 under "31 C.c - Education - Primary - Grants to local bodies for primary education - District Educational Councils - Grants-in-aid - General - Voted - Non-recurring."
