Station Trichinopoly. Dated the 5.1.26. 192

From (Name) Sir T.Desikachariar, Kt., B.A., B.L.,
(Designation) President, District Board,
Trichinopoly.

To The Secretary to the Government of Madras,

Local Self Government Department.

MADRAS.

Sir,

Adverting to G.O.No.3403 Law (General) dated

10.11.25 regarding the maintenance of the Hindu Sessional School at Lalgudi, I have the honour to bring to your kind notice certain practical difficulties in giving effect to the above order.

2. The sessional school at Lalgudi was ordered to be closed on the 31st March 1925 in accordance with the G.O.No.1482 Mis. Law (Education) dated the 19th September '24. But while carrying out the instructions contained in the said G.O. a cry for the continuance of the school till 30.4.25 was received - My board was pleased to sanction this also and the school was finally closed on 30.4.25. The furniture etc. of the school have since been distributed among the secondary schools under the management of this Board and hence a fresh equipment is necessary

(H) not available

if the school is to be opened again as directed.

3. The school will have to be continued for one year for which the subsidy sanctioned by the Government will not be enough. Further it is submitted three fourths of this official year have elapsed and it is ^{not} understood if the school is to be started now. Even if steps are taken to start the school from the beginning of February next, the students will only have a partial training for two months at the close of this official year which would not serve any useful purpose but it will be waste of money and energy. It is therefore submitted that it is impossible to arrange for the revival of the school during the current year.

4. If, however, the Government are anxious to have the school opened, I can only suggest that the same could be done only during the next year and that too if orders are passed early in March or April next.

5. In the circumstances explained above, I request you to be so good as to place the facts before the Government and issue necessary instructions in the matter.

An early reply is awaited.

I have the honour to be,

Sir,

Your most obedient servant,

S. M. Naya Khan
For President.

R. C. No. 224 B/26

Station Madras, Dated the 8- 4- 26 192

From (Name) R. Littlehailes Esq., M.A.,

(Designation) Director of Public Instruction,

Madras

To The Secretary to the Government of Madras,

Law (General) Department.

Sir,

In resubmitting herewith letter R.C.No.3077 D.B of 25, dated 5- 1- 26 from the President, District Board Trichinopoly referred to me for remarks in Government Endorsement No.231 A- 1 dated 27- 1- 26, I have the honour to state that it is reported by the District Educational Officer that the Sessional school idea has become practically obsolete, in view of the changed conditions. Within recent years, higher standards have been opened in a very large number of Elementary schools - Board and Aided - and more higher elementary schools have been thrown open to pupils of backward classes including

including Adi Dravidas, than before. The number of students of the backward classes chiefly Adi Dravidas admitted into the Government Training School last year is 3, in the Higher Elementary, and 15 in the Lower Elementary grade and a similar number may hope to get admission in July 1926. In the R.C.Boarding and Training School, Trichinopoly, 3 Higher Elementary grade students and 9 Lower Elementary grade students of the Adi Dravida community have been admitted in July 25 and the manager hopes for 5 Higher Elementary and 10 Lower Elementary grades to be admitted from among the Adi Dravidas.

2. It is further reported that there are several Adi Dravidas trained, but lacking employment and applying for teachers' posts. These teachers may and eventually will open schools. In these circumstances, the District Educational Officer is of opinion that the difficulties in the way of reviving the Board Hindu Sessional school at Lalgudi are real, and that the educational benefit to be expected is not adequate to the increased expenditure.

3. The President, District Board, Trichinopoly has not adjusted the amount sanctioned in G.O.No. 3403 Law General dated 10- 11- 25 to the credit of the District Board.

I have the honour to be,

S i r,

Your most obedient servant,

for Director of Public Instruction

Provision for Sessonal Schools has been made in the Education budget and the subject is dealt with now in the Education Dept. The file may be transferred to the Dept. of the
