DEMAND XIX - EDUCATION - TRANSFERRED

By ~~Shri~~ A. S. Krishna Rao Pantulu.
To reduce the allotment of Rs. 60,97,500 for primary Education by Rs.1,000.
(to discuss the policy adopted by the Government for the expansion of Primary education).

Law (Education) Department.

Apparently the M.L.C. will take exception to the policy of giving special subsidies for expansion of elementary education only to taluk boards which levy the education tax. So far, it is mostly the poorer taluk boards which have decided to levy the education tax. While all the taluk boards in the districts of Ganjam, Kurnool, Anantapur, Chinglput and South Arcot are levying the education tax, only three out of eight taluk boards in the Tanjore district are levying the tax. No taluk board in the Nellore district has yet resolved to levy the tax. The policy of Government to assist the taluk boards which are already levying the education tax is therefore justified. It may however, be mentioned that, in the areas where the tax is not levied, the Government have been encouraging aided agencies ~~and~~ village panchayats to open schools in school-less centres. Necessary provision has been included in the next year's budget for the opening of 265 aided schools and 300 panchayat schools in the areas of taluk boards not levying the tax.
