Sir,

In resubmitting Government endorsement No. 4135-A dated 31-10-25, I have the honour to state that the expenditure of Rs. 1959-10-0 was debited to Elementary Education account- Capital- in the following circumstances:-

2. In the year 1924, certain improvements were made to the building at Devakottai and the Taluk Board occupied the building for the use of its office only after the improvements were effected. Till the building was occupied by the Taluk Board office and when the improvements were made it was a school building. Though the expenditure was debited to Elementary Education account, it was met only from the funds relating to the general account of the Taluk board, paid as

Then it ought to have been debited to the general account. Since the expenditure was not a building improvement, it was not appropriate to make it a building improvement.

3
as contribution to Elementary Education account- Capital-;
the separate banking account in respect of Elementary Edu-
cation fund was opened only with effect from 1---4--1925

It is illegal to debit the
Expenditure to the EE fund.
The paper comes even if a
Special contribution has been
made to the EE fund for the purpose
The paper comes is to debit the
Expenditure directly to the genl account
