DEMAND XIX - EDUCATION ( TRANSFERRED )

Mr. C.V.S.Narasimha Raju :

251. To reduce the allotment of Rs. 148.98 lakhs by Rs. 100

(To discuss the desirability of increasing the teachers in aided elementary schools).

Law ( Education ) Department

The question of increasing the pay of teachers in aided elementary schools is a matter for the management concerned. The Government have recently ( in September last ) revised the rates of teaching grants to aided elementary schools as shown in paragraph 4 of G.O.No. 1550 Law ( Education ), dated 4th September 1925 at an annual additional cost of Rs. 6.55 lakhs. This will help the managers of aided schools to increase the pay of teachers employed there in.

2. In this connection, it may be mentioned that increased provision has been made from year to year for the payment of teaching grants to aided elementary schools as will be seen from the following figures: --

|             | Rs.          |
|-------------|--------------|
| 1923 - 1924 | 27.99 lakhs. |
| 1924 - 1925 | 29.75 "      |
| 1925 - 1926 | 34.64 "      |
| 1926 - 1927 | 38.28 "      |

Complaints have been received from some District Educational Councils that the amounts placed at their disposal are insufficient to pay, in full, the grants admissible to schools in their districts.
