DEMAND XIX - EDUCATION (TRANSFERRED)

Mr. V. Peddi Raju :

p.230

563. To reduce the allotment of Rs. 71,900 for Grants-in-aid buildings by Rs. 100/-

(To raise the question of inadequacy of grants for buildings for Elementary Education).

Law (Education) Department.

The Government entertained applications from local bodies for subsidies for the construction of elementary school buildings only if they are prepared to meet at least one-half of the expenditure involved from their own funds.

2. In 1924-1925 and 1925-1926, the Government sanctioned subsidies amounting to Rs. 98,756/- towards the cost of construction of buildings for elementary schools under the control of local bodies. Out of this only a sum of Rs. 31,000 has so far been actually dis- bursed .

3. The total of the demands for subsidies from local bodies which have definitely expressed their willingness to meet not less than one-half of the cost of the buildings to be newly constructed in 1926-1927 is Rs. 1,19,658. In view of the fact that the amount actually disbursed in previous years fell considerably short of the budget provision, it has been considered that a provision of Rs. 71,900 will suffice to meet payments that may have to be actually made in the next official year.
