College -

Engineering - admission - Petition from P. Satyanarayana

Orders passed.

Original in copy
The Honourable Rao Bahadur Sir A.P. Patro, Kt.,

B.A.B.L.M.L.C.,

Government of Madras, M A D R A S

Will be please
Reg--The appeal of P. Satynarayana into U.S.1 Class of the College of Engineering, Guindy against the orders of the Director of Public Instruction communicated to the petitioner by the Superintendent School of Engineering, Vizagpatam on the 18th October '25 and Dis No. 635/26 dated 13th February 1926.

Most. Respected & Honoured Sir,

K. E. 716C
9/3/26

P. b. m. p. n.
Far from being questioning the orders of the Director of Public Instruction Madras, dated the 13th February 1926, I respectfully beg to state the following facts for your Honours sympathetic and kind consideration.

In 1920 I was a student in the Engineering School at Vizagpatam in the P.S.11. class. I completed that year Course standing second in the said class and then attended the next higher class P.S.1. My course was abruptly cut short on the 25th November 1921 owing to my having joined some of the students of the said school who signed a letter intending disrespect to the Government. I personally intended no such disrespect to the Government, but like others who signed the petition or the letter of protest, I thought I should not salute the Union Jack Flag on the 11th Nov. of the year (the Armistice day). In my youthful frenzy not only did I foolishly ~~signed~~ sign the petition got up by the students but also I refrained ignorantly again from tendering an apology subsequently for my thoughtless action which unfortunately closed up my career in the Engineering School.

I was a bright student in the school and my suspension there from and subsequent removal would have blasted my prospects had I not taken refuge under the roof of the Engineering college at, Benaras Hindu University. In May last I came out successful with a Diploma in Engineering part IV, and with other excellent testimonials from the Principal of the college and the Professor of Engineering B.H.U. I am now anxious that I should study for a year in the College of Engineering Guindy, so that I may qualify myself in the ^hUpper subordinate course. By my present qualification in the Mechanical Engineering and by my previous successful course in the school of Engineering at Vizagapatam in the P.S. line, I think I will be found fit to sit for the IV year course UPPER Subordinate line in the college of Engineering Guindy. In view of my ^asteady student career in the Engineering College though under a different University and of my sincere regret for my past conduct, while at Vizag when I was only a young fellow quite raw from the school, I most humbly request your Honour to kindly overlook my past conduct as being not of a serious nature and allow me the indulgence of rejoining the U.S.1 Class. In Engineering College at Guindy to complete UPPER Subordinate Course there. I hereby tender my sincere apologies for my past behaviour in having thoughtlessly signed a petition against Flag Saluting got up by a few bad students and for having subsequently refrained from apologising to the Superintendent school of Engineering to seek readmission into the school. My present apologies are quite unconditional. I have never been an active Non-

u

Non-Co-operator all these years, nor do I intend to be disloyal to the Government. I am besides a Non-Brahmin youth aspiring to be something in life, came all the way from MEDAPADU Godavari District to seek justice at your hands.

I enclose copies of Testimonials referred to in the previous paragraphs.

In this connection I would like to place before you all the correspondence passed between myself, the Superintendent and the Director of Public Instruction for your Honour's information, and most respectfully request that your Honour will be kind enough to pass orders viz., allowing the petitioner to join the U.S.I Class of the College of Engineering at Guindy.

With greatest regards and apologies for trouble given,

I beg to remain,
Most Respected & Honoured Sir,

Yours Obediently,
P. Satyanarayana

ADDRESS:-

A.M.I.M.E., M.I.E. (Ind)

Patiala Professor of Mechanical Engineering.

Mr. P. Satyanarayana has been a student under me for 4 years during which he has prepared for the Diploma of Licentiate in Mechanical Engineering. The final examination is being held at the present moment. I do not doubt that -- Mr. P. Satyanarayana will be successful as he is and always has been a hard-working earnest student. He is a good workman, a speedy and accurate draughtsman and has had experience in all the departments that are usual in an Engineering -- workshop. I strongly recommend him as likely to prove a useful junior assistant.

A.R.C.Sc., M.I.M., M.C.I. (Inc)

Benares, 25th April 1925.

No. 173 D.L.

Mr. P. Satyanarayana is a student of this College in the Diploma Course for Mechanical Engineers. He has appeared for the Final or Licentiate Examination for Engineering Diploma on the completion of his fourth year course and is expected to come out successful.

The Diploma Course are intended for the training of the practical Engineer and Designer. The first two years are devoted to the preliminary study of the Arts and Sciences common to Mechanical, Civil and Electrical Engineering and in acquiring elementary drawing office and workshop technique, and the third and fourth years to specialization in one of the -- branches of Engineering.

The practical Examinations included Carpentry smithy Mechanical Drawing, Foundry work and pattern making as well as Fitting and Machine shop practice.

Mr. Satyanarayana was one of the best students in his class, and I always found him a diligent, hard-working and earnest student and regarded him as a man who would make good progress in the Engineering profession.

I sincerely wish him every success in his future career and strongly recommend him as a man who is not afraid of hard work and who will turn his knowledge and training to good account.

He possesses an excellent character.

Sd. Charles A. King

Re:- The appeal of P. Satyanarayana for admission into
U.S.1. Class of the College of Engineering at
Guindy.

Most respected Sir,

Far from being questioning your order regarding me to
the Superintendent School of Engineering, Vizagpatam.

I respectfully beg to state the following facts for
your honours sympathetic and kind consideration.

In 1920 I was a student in the Engineering School at
Vizagpatam in the P.S.11. Class. I completed that year
course standing second in the said class and then attended
the next higher class P.S.1. My course was abruptly cut
short on the 25th November 1921 owing to my having joined
some of the students of the said school ^{who} ~~to~~ signed a letter
intending disrespect to the Government. I personally in-
tended no such disrespect to the Government, but like others
who signed the petition or the letter of protest, I thought
I should not salute the Union Jack flag on the 11th November
of the year (the Armistice day). In my youthful frenzy not
only did I foolishly signed the petition got up by the
students but also I refrained ignorantly again from tender-
ing an apology subsequently for my thoughtless action which
unfortunately closed up my career in the Engineering School.
I was a bright student in the school and my suspension there-
from and subsequent removal would have blasted my prospects
had I not taken refuge under the ^{roof of the} Engineering College at
Benaras Hindu University. In May last I came out successful
with a Diploma in Engineering part IV and with other excellent
testimonials from the Principal of the College and the Pro-
fessor of Engineering B.H.U

Professor of Engineering B.H.U I am now anxious that I should study for a year in the College of Engineering Guindy so that I may qualify myself in the Upper Subordinate Course. By my present qualification in the Mechanical Engineering and by my previous successful course in the school, of Engineering at Vizagpatam in the P.S.Line, I think I will be found fit to sit for the fourth year course Upper Subordinate line in the College of Engineering Guindy. In view of my study student career in the Engineering College though under a different University and of my sincere regret for my past conduct while at Vizag when I was only a young fellow quite raw from the school. I most humbly request your honour to kindly overlook my past conduct as being not of a serious and nature and allow me the indulgence of rejoining the U.S.1 class in Engineering College at Guindy to complete for Subordinate course there. I hereby tender my sincere apologies for my past behaviour in having thoughtlessly signed a petition against flag saluting got up by a few bad students and for having subsequently refrained from apologising to the Superintendent school of Engineering to seek readmission into the school. My present apologies are quite unconditional. I have never been active Non-Cooperator all these years, nor do I intend to be disloyal to the Government. I am besides a Non-Brahmin youth from Godavari District aspiring to be something in life.

I enclose copies of Testimonials referred to in the previous paragraphs as well as a copy of Memo dated 18th October 1925 from the Superintendent school of Engineering Vizagpatam.

With greatest regard and apologies for the trouble given.

To

The Director of Public Instruction,

MADRAS.

Most Respected Sir,

I received from the Superintendent School of Engineering a memo stating that the Director of Public Instruction is not prepared to admit me in Guindy Engineering College. I made a mistake in my previous application in not mentioning that I was sorry in not having joined the school then giving an Apology. Now, Sir, I have come here to see your Goodself personally if you can admit me if I give an apology. Hoping for favourable orders.

I beg to remain,

Most Respected Sir,
Yours obediently,

(through) The Superintendent, School of Engineering

VIZAGAPATAM,

Respected Sir.

The most humble Petition of P. Satyanarayana for
Admission into U/S/11 Class,

I beg to state that, after passing the S/S/L/C Examination of the Madras University, I have joined the Engineering School at Vizagapatam in 1920 in P.S.11 class my roll being ~~REDA~~ P.99. I have completed P.S.11 standing SECOND in the class and continued P.S.1 till 25th November 1921. I left the School as I have not given an apology for signing a letter along with other students then. Afterwards I have joined the Engineering College at Benares Hindu University and passed the Licentiate in Mechanical Engineering. I have got good testimonials from the Principal and other Assistants there, copies of which I am herewith attaching. I have also got some designs of my own showing my work at Benares.

Therefore I request your honour to kindly give allowance as to have completed P.S.1 also for the course I have finished at Benares and admit me into U.S.11 class this year at GUINDY ENGINEERING COLLEGE. Awaiting for a favourable reply.

MEDAPADU,
Via SAMALKOT

From (Name) R.G.Grieve Esq., M.A.,

(Designation) Ag. Director of Public Instruction
Madras.

To The Secretary to the Government of Madras,

Law(Education)

Department.

Sir,

In resubmitting the papers received with Government Endorsement No. 716 C-1 dated 18- 3- 26, I have the honour to state that, in connection with the Armistice Day Celebration in 1921, the Superintendent of the School of Engineering, Vizagapatam issued on 8- 11- 21 the following notice.

" The school will assemble by classes in double rank at 10. 40 A.M on Friday 11th instant on the Drill ground south of the School Office in connection with the anniversary of the Armistice.

Afternoon attendance for the Lower Subordinate class will commence at 2 P.M that day."

p. 13 anti

More than a third of the students of the school absented themselves from the school and from all the functions connected with the anniversary of the Armistice on 11- 11- 21, and subsequently signed a joint disloyal petition addressed to the Superintendent of the school containing objectionable and disloyal sentiments. P. Satyanarayana the student in question, was one of those who absented from the school on the above date and was also one of the signatories of the disloyal petition. He was also reported to be one of those who refused to leave the hostel, when ordered to do so, ^{on} the suspension, and threatened the Superintendent with consequences, if evicted. It was, however, brought to the notice of the Superintendent later that, in several cases, the petition was not read over by the signatories and that they knew very little of its contents. With a view therefore to minimising the consequences of such an action, the Superintendent gave the students concerned an opportunity to submit an apology retracting the disloyal sentiments given expression to in the petition. Some students apologised and were readmitted; those who did not apologise were expelled from the school. P. Satyanarayana was one of those who did not apologise and was expelled, and it would appear that he did not even seek readmission. In his petition dated 18th August 1925 he applied for admission into the Upper Subordinate II class of Engineering College, Guindy. As he was expelled from one Government institution, I did not sanction his re-admission into another Government institution.

I would like to inform Government in this connection that there is no statement as to the reason why the applicant who has already qualified himself

himself in Engineering, should desire an additional qualification (viz) from the College of Engineering, Guindy, but that if such qualification is desired, it seems natural that the student should go through the greater part of the course in that college and not only a final year in it.

If the applicant desires an additional qualification at Guindy with the object of obtaining service under Government or under some local body (and this is probable) I cannot advise that any special or extraordinary opportunity be given to him to enter such service.

I have the honour to be,

Sir,

Your most obedient servant,

J. C. Chunnappa
for Director of Public Instruction 16.4.26

C.No. 1252 C - From the D.P.I., R.O.C. No.221 A/26
dated 13-4-26.

For the facts of the case, please see
pages 1-2 c.f. and paragraph 1 of the Director's
letter on pages 14-15, c.f.

2. The Upper Subordinate course in the
Engineering College, Guindy, consists of ^a five years
course - two in the probationary subordinate class
and ~~three~~ in the upper subordinate class (including
the practical course for one year.)

The petitioner was expelled from
the Engineering School, Vizag, while he was in
the middle of the second year course in the Pro-
bationary subordinate class. His present request
is that he should be admitted in the final year
Upper Subordinate class. His object is presumably
as stated by the D.P.I. at Kon page 16, c.f.

3. As the petitioner unconditionally
apologises for his past conduct, ^{he} may be admitted
into the college. ^{his Professor at Benares College} ~~He~~ ^{testifies to his ability.}
The D.P.I. seems to have no
objection to this. He only urges that the applicant
should undergo the greater part of the course in
the college and should not be given any extraordinary
opportunity which will enable him to enter service.
It is submitted that the petitioner
may be considered to have completed the Probationary
Course
