M.2 promised a Committee for the Tamil University the other day in the Legislative Council. Please put up the report containing this.

A list containing the names of members for the Committee accepted by M.2. is attached.

V. T. K.
31-3-26.

Please see the report of the proceedings at flag (V). The portions relating to the appointment of a Committee are marked on pages 41-42 of the report. As orally instructed, a draft order appointing the Committee is submitted. It is proposed to place the order on the E.T.

2. It is for orders whether, instead of consulting the members, the presumption may be expressed in the draft order that the members will agree to serve on the Committee. A paragraph has been inserted to that effect.

3. In the list one member of the staff of the Christian College and one member of the staff of the Pachaiyappa's College are shown. It is presumed that they are to be elected by the members of the staff from among themselves. Similarly the two non-official members of the Syndicate are presumably to be elected by the members of that body from among themselves.

4. The Committee is composed of M.L.C's and members of similar status. The members will accordingly draw travelling allowance at the rates admissible to members of first class committees; Viz, one first class and one third class railway fare and a daily allowance of Rs. 7-8-0.

5. Under the rules, specific provision of funds should be made before extra expenditure is incurred.
