DEMAND XIX - EDUCATION (TRANSFERRED)

Mr. B. Ramachandra Reddi

To reduce the allotment of Rs. 39,83,400 for District Educational Councils by Rs.100

[To discuss the Government Order No. 83, dated 19.1.21 Law (Education).]

Law (Education) Department.

In G.O.No. 516 Home (Education), dated 2nd April 1921, the Government sanctioned an establishment consisting of two clerks on Rs. 30 per mensem each and two peons on Rs. 13/- per mensem each for each of the offices of District Educational Councils in the Presidency. The Government also decided that the establishment, though permanent, was not eligible for pensionary privileges. Subsequent to the issue of the above Order, representations were made to Government by Presidents of District Educational Councils for the grant of improved scales of pay for their establishments. The Presidents pointed out that the lowest sanctioned scale of pay for clerks in Government offices was Rs. 35-60 and that, unless the pay of these establishments was revised, it would not be possible for them to attract qualified and competent men.

2. In 1922, some District Educational Councils represented that unless additional establishment was allowed, they could not undertake the preparation of the annual returns. In that connection, the Government considered the feasibility of amalgamating the offices of the District Educational Councils and the District Educational Officers, and a reference was made on the subject to all Presidents of District Educational Councils. A majority of the Presidents were against the proposal. The scheme was introduced as an experimental measure, in the districts of Malabar, Vizagapatam and the Nilgiris. As a result of this amalgamation, the separate establishment in the office of the District

4. As a measure of economy the number of peons was reduced from two to one. The President of the marginally noted District Educational Councils have represented that the number of peons should not be reduced for the following reasons : --

Bailatn, Salem, Lajp, Trinevally,
Kistna, Rannet, Kurnool, Guntur
Gajjam + Burdaspah.

(iii) When the President goes on tour, he will have to take with him a peon. On such occasions, there will be no peon for duty in office.
