Municipal Council, Saidapet.

Submitted.

- With reference to para 2 of G.O.No. 2025, Law (Education) dated 24th November 1925, the Council should be advised to credit the arrears of contribution for 1924-25. According to the audit report for 1924-25 recorded in the G.O. referred to a sum of Rs 223 should be shown in the actuals both on the credit and debit sides under capital. The omission should be supplied.
- The question of the alienation of the Johannes gardens in favour of the Municipal Council is still under the consideration of Government. The Council may be advised to renew its application for a building grant, after the question of alienation has been decided.

Sir,

Sub:- Elementary Education Budget 1926-27 -
Municipality.

In forwarding herewith the Elementary Education for the year 1926-27, I have the honor to request that the Government will be pleased to accord sanction to the grant of Rs. 1,000/- under rule 50 of the grant-in-aid Code of the Educational Department and to the appropriation of the same from the Education Fund of the Municipality to meet the capital expenditure of a school building of it.

proposed to be constructed on the site near Jetties Harbor.

Saidapur for the location of the Municipal schools.

At present 5 schools are run by the Municipality, of which 4 are located in rented buildings. The annual rent expenditure during the current year amounted to Rs. 1,536/-. Three more schools are proposed to be opened during the next year. A sum of Rs. 2,250/- has accordingly been provided for in the Budget towards house rent, which has since abnormally increased, one of the chief reasons being its proximity to the City of Madras. To save this annual recurring charge on the Municipality, a pucca building of its own has been proposed to be constructed on the site mentioned above at an estimated cost of about Rs. 11,000/-. The proposal is before the Government and their orders are awaited. To meet this capital expenditure of Rs. 11,000/- the Municipality is willing to contribute Rs. 4,000/- in addition to its usual contribution of Rs. 17,000/- towards the Elementary Education Fund. Credit has been made for an equivalent Government grant of Rs. 4,000/- under Rule 50 of the grant-in-aid code of the Educational Department. The balance of Rs. 3,000/- is proposed to be met by appropriation from the Education Fund.

When the Municipality comes to have a building of its own, a saving of about Rs. 1,000/- will be effected which will not only further augment the expansion of the elementary education in the Town of Maidpet, growing into importance day by day, but will also facilitate the introduction of compulsory education at an early date.

I trust that Government will see no objection to sanction my proposal as outlined in the budget.

I have the honor to be,
