Ref.--Budget Statement - 1926-1927 - Elementary -
Education Fund - Dindigul Municipality.

With reference to the provisions contained in
section 38 of the Madras Elementary Education Act 1920, I --
have the honour to submit herewith a Budget Estimate of re-
ceipts & expenditure in the prescribed form in respect of the
this Municipality for the financial year 1926-27 together
with a copy of the council's Resolution No. 2 dated 28-1-26
adopting the same.

2. The Budget year is expected to open with a cash balance of Rs.4,790 and close with Rs.3,690 on the 31st - March 1927. It will be seen from the Statement that considerable savings accrued in the Revised Estimate for 25-26 under Establishment which contributed to a larger cash -- balance at the close of the current year. Four additional schools were opened since October 1925 in pursuance of the Director of Public Instruction's recommendation made in para 2 of his letter R.C.No.530-B-25 dated 2nd May 1925 with reference to the council's proposal introducing compulsory Elementary Education in this Municipality from 1-7-25

3. At the instance of the Deputy Inspector of schools, Dindigul Range, a capital expenditure of Rs.9,000 is budgetted in the next year towards cost of construction of new school houses & extensions to the existing schools. The council desires to follow a gradual policy of building school houses of its own in preference to its depending upon rented houses which are not sufficiently airy & ventilated and it relies upon the Government to make a moiety of the grant for the purpose with reference to Govt.Memo.No.36510-1-C dated 11-12-25. Hence the council has taken credit for a provincial grant of Rs.4,500 on the receipt portion of the Budget. I request that you will be good enough to obtain sanction of Government to the Budget as adopted by the Council.

Sir,

Elementary Education Budget 1926-27 -Dindigul
Municipality.

The remarks contained in para 2 of your council's endorsement are not clear. Apparently it has been assumed that there should be corresponding -- credit on the receipt side under the head "Capital" to meet the expenditure provided. I wish to inform you that if the credits under "capital" be not sufficient the difference will be diverted from the "Ordinary receipts".
