From (Name) R. Littlehailes Esq., M.A.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir.

I have the honour to address Government regarding the transfer of provision made in the budget for 1925-26 for the Physical Adviser's establishment.
2. The Physical Adviser's establishment consists of a clerk and a peon. Provision for the Physical Adviser's establishment is shown under "31 B(a) Education-Secondary Government Secondary-Schools for boys-Adviser to Government on Physical Education" whereas provision for a monthly grant of Rs 230/- to the Y.M.C.A Madras for the services of the Physical Adviser is made under "31 D(b) Education Special-Direct grants to Non-Government Special schools Teaching grants".

AS

2
As the Physical Adviser's clerk is not a Government servant and it seems proper that the provision for the Physical Adviser's establishment should also be shown under the same budget head as the Physical Adviser himself. I have the honour to request that the provision for the clerk and peon may be transferred from "31 B(a) Education-Secondary-Government Secondary schools for boys Adviser to Government on Physical Education" to "31 D(b) Education-Special-Direct grants to Non-Government Specialschools-Teaching Grants". The proposal, if sanctioned, may have financial effect from 1st March 1926

I have the honour to be,

Sir,

Your most obedient servant,

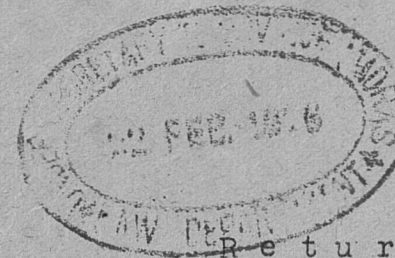

R. K. S. S. S.
for Director of Public Instruction

ENCLOSURES.

The establishment of a clerk and a peon working under the Physical Adviser is sanctioned by Government every year as a temporary measure. The pay and contingent charges of the establishment are being debited to "31 Education - B. Secondary - Secondary Schools for boys Transferred - Voted". Reference is also invited to G.O.No.865 Law (Education) dated 21st July 1922 under which the establishment was eligible for the temporary addition to pay sanctioned to all Government servants and to page 17 of the statement of proposition accompanying G.O.No.1063 Law Education dated 2nd August 1923 in which the clerk and servants are shown as regular establishment under Government. It is ^{not} therefore understood why the Director of Public Instruction, now states that the members of this establishment are not Government servants.

If, however, as in the case of Physical Advisor, a lump sum grant to cover the pay, Travelling allowance and contingent charges of the establishment working under the Physical advisor, there will be no audit objection to the charges being debited to "31 Education - D - Special - direct - grants to non-Government - Special schools - transferred - voted - grants-in-aid educational recurring - manual training". and the provision made accordingly in the Budget estimate for 1926-27.

It may also be pointed out in this connection that apart from the establishment of one clerk and one peon, an Assistant Director on Rs.100-10-200 has also been sanctioned for a period of five years in G.O.No.865 Law (Education) dated 28th May 1924, who is also working under the Physical Advisor and whose pay and Travelling allowance charges are also debited to "31 Education, - D. Secondary - Government Secondary

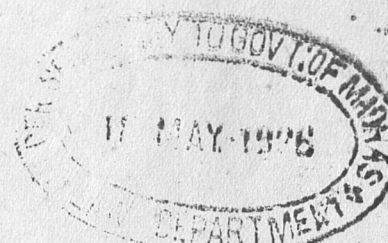

Secondary Schools for boys transferred- voted". It is not understood why the provision for the charges incurred on account of the Assistant Director has not also been proposed, by the Director of Public Instruction to be transferred to "31 Education - D. Special direct grants etc". so that the whole establishment charges under the Physical Advisor might be debited to "31 Education - D. Special etc". and the necessary provision made thereunder.

Establishment under the Physical Adviser to Government Transfer of provision to the head under which the provision for the Adviser is shown.

....

As pointed out in paragraph 1 of the A.G.'s Endt. the temporary clerk and peon have been granted the concessions admissible to Government servants and it is not clear why the D.P.I. does not consider them to be Government servants. It may also be noted that if a lump contribution is paid to the Y.M.C.A. on account of the establishment, the amount will have to be fixed once for all and not varied from year to year, while under the present arrangement the establishment gets the benefit of a progressive scale of pay. In these circumstances there appears to be no necessity to make the transfer proposed by the D.P.I. Perhaps he may see the file u.o. and offer his further remarks.

Will D.P.I kindly see the A.G's Endorsement in the file?
