3. The credit taken for Provincial contribution in the Budget estimate for 1926-27 under the proviso to Section 37 is exclusive of the amount payable towards the temporary allowance of Rs.4

4. It is observed that the capital expenditure is proposed to be met from the balance available in the Elementary Education fund under 'ordinary'. In view of the large balance available in the Elementary education fund and as the council has introduced compulsory elementary education the appropriation may be accepted, but the council may be advised to consult the District Educational Officer in utilising the provision.
