To The Secretary to the Government of Madras,

Law (Education) Department.

Sir.

With reference to Law (Education) D.O.No. 3404 C/25-4
dated 26th March 1926, I have the honour to submit herewith
applications in original from candidates, whom I consider
most suitable for the award of post-graduate scholarships
tenable in the United Kingdom. Their qualifications, the
subjects in which they have obtained distinction, the
subjects in which they propose to specialise in England
and their past service, if any, have been detailed in the
statement herewith enclosed. Nos. 1 to 4 in the list of
men candidates are private persons. No. 5 is in Government
service.

As regards

intra

As regards women candidates Nos. 1 and 2 are private applicants and Nos. 3 and 4, Miss Cavanagh and Miss Ranga Rao, are in Government service. The latter desire to study subjects in which there are already persons in England studying and for this reason their applications should probably not be considered. Otherwise they might be suitable for the award of the scholarships.

No.1 in the list under "women candidates" was recommended for a scholarship last year also, but was rejected by Government, presumably because she belongs to Travancore State. But I may point out that she had had all her College education in Madras and has been teaching in the Women's Christian College, Madras, since taking her degree. Her case may be considered this year. Failing Miss Oomen, Miss B.Venkataratnam, No.2 in the list may be considered, if Government are of opinion that a lady qualified in law, though not likely to be useful to this Department, would be useful to the community as a whole.

I may, however, point out in this connection that the case for the award of scholarships to women this year is not strong and both the scholarships may, it is suggested, be awarded to men.

Provision for two new State scholarships tenable in the United Kingdom has been included in the Civil Budget Estimate for 1926-27.

I have the honour to be,

Sir,

Your most obedient servant,

R. S. Srinivas

Law (Education) Department.

Note for the Finance Committee.

Part II Scheme - Budget Estimate for 1926-27.

Subject:- Scholarships for post-graduate study in the United Kingdom.

Note by the Law (Education) Department.

Prior to 1921, the Government of India were awarding from Imperial revenues the following scholarships tenable in the United Kingdom:-

- (i) two scholarships annually through the Universities by rotation.
- (ii) one scholarship annually to a male student of the domiciled community.
- (iii) one scholarship annually to a female candidate of the domiciled community.
- (iv) one scholarship annually to an Indian woman graduate.
- (v) two scholarships annually for the study of Oriental languages by rotation.

2. With effect from the 1st April 1921, the Government of India discontinued the grant of scholarships from their revenues and left it to local Governments to institute their own scholarships. The Madras Government have not instituted any regular scheme of scholarships to be awarded automatically every year. It has, however, been usual to grant scholarships each year or to depute officers of the Department for study in the United Kingdom. In 1925-26 a scholarship of the value of £ 290 was awarded for a year to Mr. V.R. Adige who had already gone to England for study and another of the value of £ 290 plus the usual war bonus tenable for a year exceeding three years to Mrs. Hilda. Gnanapara.

3. In 1916 a scheme for giving special training to selected members of the Provincial and the Subordinate Educational Services by deputing them to study the educational systems of England and

countries had been approved by the Secretary of State. The scheme was intended to be introduced as an experimental measure for three years. Owing to the financial stringency consequent on the war the scheme was not acted on till 1920. In the three years during which this scheme was availed of, the following deputations were sanctioned:-

1920-21 .. One lady officer
1922-23 One male officer
1923-24 One lady officer

The Scholars or officers stipended by Government now in the United Kingdom are:-

Name	Period	Amount
Miss Koman	till about Sept. 1926	£ 300 plus war bonus of £ 45 a year
" Nallamuthu Ammal	-do- 1927	£ 300 plus " £ 22½ "
Mr. Vamana Rao Adige	-do- 1926	£ 250 plus " £ 40 "
Mrs. Hilda Gnanadurai	-do- 1928	£ 300 plus " £ 45 "

4. It is proposed to grant two scholarships in 1926-27 for post-graduate course - one to a male and the other to a female. The scholarships are to be awarded by the Government and will be tenable for three years. The scholars will have to leave India by about July 1926 and expenditure for eight months will have to be provided for in the budget for 1926-27.

The details of the provision are:-

- (i) Passage for two scholars Rs 2,000
- (ii) Loss by exchange at Rs 1/2 £, roundly 1,411
- (iii) Expenditure in England for a male scholar at £ 290 a year and for a female scholar at £ 300 plus £ 45 for 8 months from July 26 to February 1927 £ 230 plus 193 1/3 plus 423 1/3 4,233

The expenditure in subsequent years will be as follows:-

It is recommended that a provision of be made in the budget for 1926-27 as shown

- 1 E.c. Scholarships Rs 2,000
- 1 E.f. Loss or Gain by Exchange 1,410
- 1 g. Expenditure in England -

Note by the Finance Department.

The proposal may be placed before the Finance Committee as a Part II scheme for 1926-27.

G. T. B./24-10-1925

Recommendation of the Finance Committee.

Very urgently necessary.

The scheme is placed in Class II.

Law (Education) Deptt.

The Finance Committee has placed in Class II the proposal for the grant of two scholarships for post-graduate study in the United Kingdom. Class II schemes are generally provided for in the budget. The provision made in the budget will have to be voted on by the Legislative Council at its meeting in March next. Though the scholarships may be actually sanctioned after the budget provision is voted on, the applications for the scholarships may be called for in advance in view of the fact that the High Commissioner requires that the application should reach him not later than the end of March. The Director may be asked, as was done last year, to call for applications for the scholarships provisionally and submit them with the prescribed particulars and documents by March 1926. A draft D.O. is submitted. Finance may see before issue.

Post -graduate scholarships tenable

Applications.

I am desired to invited your
dated the 12th Feb. '25
attention to the letter from the
Secretary to the High Commissioner for
India, London, recorded in G.O.No.325
Law (Education), dated the 7th March

extreme importance of applications ~~in making~~
~~for~~ ^{regarding} scholars desirous of prosecuting
their studies at Oxford or Cambridge

for the award of ~~two~~ ^{two} post-graduate
scholarships - one to a male and the

whether provision will ^{be} actually ~~be~~ made)
I am, however, to suggest that you may pro-
ceed ~~with the consideration of the~~ ^{to call for}
applications for the scholarships and
submit them to the Government with
your recommendations by March 1926.
It is essential that the applicants
should furnish the prescribed parti-

the Government to the grant of the
scholarships as these can be awarded

Scholarships tenable in the United Kingdom
- Applications.

Attention is solicited to the note at page 5 ante. The D. P. I. was asked to call for applications for the scholarships in anticipation of the voting of the estimates by the Council so that intimation about the scholars may be sent to the High Commissioner as soon as the Council passes the budget. The High Commissioner has specially emphasised the importance of applications of the scholars reaching him not later than the 7th April. If this is to be done it seems necessary that all preliminary work about the selection of the scholars should be done ~~expeditiously~~ without waiting for the voting of the estimate by the Council. Last year great difficulty was experienced in securing admission to Mrs. Hilda Gnanadurai, one of the scholars to whom Govt. awarded scholarship. Again ~~the Government~~ ^{in calling applications} are not committing themselves to the grant of the scholarships - vide last sentence ~~xxxxxx~~ of the D.O. at pages 7 - 8 ^{note below.} ~~ante.~~ ~~xxxx-~~ In these circumstances it is for consideration whether the D. P. I. may be asked to proceed with the consideration of applications. If so the D.O. already submitted may be issued.

Provision has been made in the budget estimate for 1926-27 for the grant of two scholarships tenable in the United Kingdom - one for a male and the other for a female graduate. In the D. O., dated the 26th March 1926, the Director was asked to invite applications for the scholarships and to send to Government the names of eight candidates whom he considered fit. The Director submits the names of nine candidates - five males and four females.

No.s 3 and 4 above are in Government service. They desire to study subjects in which there are already Government ~~scholarship~~ scholars in England. No.1 in the list, a native of Travancore, was one of the candidates recommended by the Director last year. She was not given a scholarship because qualified British subjects were available.

3. The D.P.I. is of opinion that the case ^{for} ~~of~~ awarding a scholarship for a woman this year is not strong and that both the scholarships may go to men. If however one scholarship is to be granted to a woman, the Director would give the first preference to No.1 - Miss Oomen-in the list above. If she is to be passed over he would suggest ~~Mr~~ No.2 - Miss Venkataratnam.

4. The following list shows the subjects taken by candidates selected in previous years:-

Name of scholarship holder.	Nature of course of study.

Mr. C. D. Subrahmanya Chettiyar (1922).	To study the Educational Systems in England.

5. In 1923 the University recommended that a foreign scholarship ^{might} be awarded to Mr. T. Vijiaragnaven for higher training and study in Mathematics. The Hon'ble the Minister noted as follows:-

"We have some very good men in Mathematics in Madras and also a few from Oxford with high testimonials from Prof. Hardy in the waiting list. It would serve no useful purpose to depute yet another and waste funds"

6. It may ~~also~~ be noted that if scholarships are to go ^{to} Government servants, the Secretary of State's sanction ~~under~~ will be necessary under Rule 50 of the Fundamental Rules.

A draft order and a letter to the High Commissioner are submitted. In view of the fact that the nominations are belated it is considered better to send a cablegram to the High Commissioner in advance. The draft of the cablegram is also for approval.

2. In the telephonic message at slip (P) the Director enquires whether State scholars are allowed to compete in England for the Ex I.C.S. or any examination qualifying for admission to any other of the Indian services. Prior to the provincialisation of the State scholarships in 1921 there was no prohibition imposed on scholars competing for the I.C.S. or similar tests. In the case of the scholars selected after the provincialisation of the scholarships it has been usual to require them to execute agreements binding themselves to serve the Madras Educational Department for a period of five years after their return to India or in case of default to refund the amount of scholarship given to them. This is on the analogy of the provision contained in the scheme of 1916 for giving special training to selected members of the Provincial and Subordinate Educational Services - Vide paragraph 2(3) at page 5 of G.O. No. 1321 Education dated 8-12-1916. It may also be observed that most of the scholars selected in recent years have been members of the Madras Educational Department, a few have been from outside the ranks of Govt. Service.

3. The following is a list of scholarship-holders selected from outside the department:-

- (1) Mr. K. Muhammad.
- (2) Miss S. Koman.
- (3) Mr. R. Vaidyanathaswami.
- (4) Mrs. Gnanadurai.
- (5) Mr. V. R. Adige

4. For orders whether the usual practice of taking bonds may be adopted in the case of scholars now selected.

5. The current year's budget provision is for the grant of ^{two} scholarships - one to a male and the other to a female. It is now proposed to grant both the scholarships to men. Perhaps Finance may see the draft before issue.
