Sir,

With reference to G.O.No. 456 Mis., Law (Education) dated 26-3-26 approving the scheme for the opening of manual training classes in weaving and basket work in the Lady Wellington Training College, Triplicane from the date of reopening of the college after the summer vacation of 1926, I have the honour to state that the Principal reports that both Miss Barrie and herself are going on leave shortly and that therefore they have no time to rearrange the time tables of both the training section and the model school and also the class rooms, and see to the fixing of the looms and purchase of materials etc. She therefore requests that the opening of these classes

be kept in abeyance till October 1926 when they can be opened under the personal supervision of Miss Barrie on her return to duty.

2. While agreeing with the above proposal of the Principal I am of opinion that the period of sanction may with advantage be extended to the end of the school year 1927-28 so as to give the scheme a proper trial.

I have the honour to be

Sir,

Your most obedient servant,

H. D. Bamel
