Law(Education)

Department.

Sir,

I have the honour to submit herewith a copy of the letter of the Principal, Lawrence Memorial Royal Military School, Lovedale, C.No.12/2939, dated the 20th December 1925, and to state as follows:-

2. The Principal raises two points(viz)(1) the permanent retention of the Lovedale Training School, and (2) the body who should be the trustees of the Imperial grant of Rs.1.50 lakhs.

3. With regard to (1), I beg to invite the attention of Government to G.O.No.1981, Law(Education), dated the 17th November 1925 sanctioning the continuance of the Training School for a further period of two years from January 1927, and to state after consultation with

2
-2-
with the Inspector of European Schools who is of opinion that the school has by no means established its claims to permanency, that I see no sufficient reason for Government to modify this order at present.

p. 86 of 8. (D)
(B) 4. As regards the second point, I would invite attention to para 7 of G.O.No.167, Law(Education), dated the 29th January 1923 from which it will be seen that the Imperial Grant of Rs.1.5 lakhs together with the interest thereon was placed at the disposal of the Committee of the Lawrence Memorial School subject to the condition, inter alia, that the amount should be kept by the Committee in a separate Training School account. The Committee of the Lawrence Memorial School is dissolved so far as its major work- control of the Lawrence Memorial School- is concerned (Vide G.O.No.452 Law (Education), dated the 31st March 1925). The question arises as to who should be the trustees of this sum of money. The following alternatives suggest themselves to me:-

(1) The former Committee of the Lawrence Memorial School might remain in charge of this money. This I consider undesirable, since the Committee will have no other function than the administration of this fund, and if a Committee is to be appointed for this function alone, the former Lawrence Memorial Committee is probably not the most suitable.

para: 2,
page 44 infra.
(2) The present Board of Governors of the Lawrence Memorial Royal Military School might be the trustees of the fund. The Principal advocates this. I doubt, however, whether the Board of Governors of the Lawrence Memorial Royal Military School is the most suitable body to be the trustees of this fund. Their primary interest lies in the management of that school and they may be placed in the position of settling conflicting interests between the Lawrence Memorial Royal Military School and the Lovedale Training School as managers of the

3
-3-
the former but as trustees of the latter. As trustees of both funds or as Managers of both institutions less objection would appear to be possible.

(3) The present Board of Trustees for the funds of the Lawrence Memorial Royal Military School might also form a Board of Trustees for this Rs.1.5 lakhs grant which is earmarked for a Training School.

(4) A specially constituted Committee or Board of Trustees might be appointed to act as trustees for this Rs.1.5 lakhs.

5. On a consideration of all the above alternatives, I am inclined to the view that the most suitable trustees would be, excluding a specially constituted Board, the existing Board of Trustees for the Lawrence Memorial Royal Military School funds, and I beg accordingly to recommend that the endowment consisting of the Imperial Grant of Rs.1.5 lakhs together with the interest thereon be vested with their concurrence in the New Board of Trustees which has taken the place of the old Committee and that the Lovedale Training School be administered and managed by the Board of Governors of the Lawrence Memorial Royal Military School. Such an arrangement would facilitate the process of amalgamation if Government ultimately decide to attach permanently the Training School to the Lawrence Memorial Royal Military School, and it is doubtful whether another Board should be specially constituted as trustees for this fund while this amalgamation is a possibility.

I have the honour to be,

S i r,

Your most obedient servant,

H. H. Bowne.

Copy of letter C.No.12/2939 dated 21st December 1925
from the Principal and Secretary, Lawrence Memorial School
To The Director of Public Instruction, Madras.

With reference to your R.O.C.NO. 512 E/23 dated
24th November 1925, I have the honour to report that the
question of the Training School was considered by the
Board of Governors at its meeting on the 18th December
The Board noted that the Training School was started in
1923 at the request of Government, as a temporary
measure for two years, and that it was extended for a
further period of two years from 1925 under the orders
of Government. It is now proposed to extend it for a
still further period of two years from January 1927. This
appears to the Board to be undesirable, and they would
recommend that Government may be pleased to make it
permanent . It is essential before next year that the
present building should be either bought and enlarged,
or that a suitable building should be erected. The
Board consider that extension as a temporary measure
hardly gives the school a fair chance. I am therefore to
request that the Government may be pleased to pass orders
as to whether the school is to be retained.

2. With regard to para 2, the grant of Rs.1.50
lakhs in the name of the Committee of Management-
Lawrence Memorial school this ~~body~~ body is now defunct.
The Principal operates on the fund. This presents no
difficulty so long as the present Principal, who was
appointed by Government is here- but the Board of
Governors have instructed the Principal to ask the
Imperial Bank of India to transfer the amount to the
Board of Governors.

Extract.

The Principal requested orders on the disposal of the Rs.1.50 lakhs now held in the name of the old committee of Management and ear-marked for the Lovedale Training school.

The Principal was directed to approach Government with the following suggestions.

(A) That the final control of the Lovedale Training school be placed under the Trustees under the constitution as now existing for the Lawrence Memorial Royal Military school.

(b) The Rs.1.50 Lakhs be transferred to the Trustees - the interest thereon being utilized as heretofore for the benefit of the Training school.

(c) That the Training school be put on a permanent basis subject to 2 years notice of closure on either side and that a suitable building for the Training school be either bought or erected.

The Insp. of European Schools considers that the school has by no means established its claims to permanency.

Law (Education) Department.

From the D.P.I., No. 612E/25, dated 12th Feb. 1926.

Subject: --Lovedale Training School.

In his letter in the current file the D.P.I. raises the following two questions ^{regarding} relating to the aided training school for European Women at Lovedale:--

(1) the permanent retention of the school; and

(2) the body who should be the trustees of the Imperial Grant of Rs. 1.50 lakhs ear-marked for the school.

2. Permanent retention of the school: In G.O.No. 167, dated 29-1-23, the Government sanctioned the opening of the Lovedale training school as a temporary measure for a period of two years in the first instance. Its retention for a further period of four years was sanctioned in G.Os. No. 8, dated 3-1-25 and No. 1981, dated 17-11-25; and the present sanction expires on the 1st January 1929. As the Inspector of European Schools is of the opinion that the school has not established its claims to permanency, it would be premature to consider the question ^{of its permanent retention} at present. It may perhaps be considered after the expiry of the period of two years for which its further retention has been sanctioned in G.O.No. 1981, dated 17-11-25.

3. Trustees of the fund earmarked for the school: From paragraph 7 of G.O.No. 167, dated 29-1-23, it will be seen that the accumulated amount of the Imperial grant of Rs. 1.50 lakhs together with interest, earmarked for the training school, ~~was~~ ^{was} placed at the disposal of the late Committee of the Lawrence School. In view of the transfer of the latter school to the control of a Board of Trustees, the old committee has been dissolved so ^{far} as its control of the Lawrence School is concerned. The question has therefore been raised as to who should be the trustees for the above amount. The question has been fully discussed by the Director.

The Training School has no connection whatsoever with the Lawrence Memorial School. The Training School could be transferred ^{back} to Egmore or abolished, if in the opinion of Government that was the most suitable course. No formal Trust was ever constituted and the Committee having ceased to exist ^{the money} is entirely at the disposal of Government. ^{new} The Board of Trustees for the Memorial School is a successor of the old Committee, only in so far as funds etc., belonging to the Memorial School are concerned, and, if any arrangements are made as to the disposal of the revenues from this amount, it must be made clear beyond a shadow of doubt that it is in no wise appurtenant to the Memorial School. The position as regards the Training School is perfectly clear. It is attached to the Memorial School for convenience and on condition of our paying the Memorial School the cost of running it. I would place ^{that} position beyond doubt. I have no intention of constituting a Trust on behalf of the Training School which may only last for another 3 years. Trusts are very difficult things to deal with. They can only be dissolved or altered, I think I am right in saying, through the action of the Courts which may take a very ^{strict} ~~lenient~~ view as to the nature of the objects which may be substituted. We must retain perfect liberty to use the proceeds of this fund as we think best for ~~any~~ European education, whether it be for a Training School or for other purposes. Will Secretary please consider how this object may best be attained? Perhaps the simplest way would be to make the Accountant General the custodian of the investments or to make the D.P.I. responsible, the investments being with the Accountant General.

30-3-26.

From paragraphs 1, 2, and 7 of G.O. No. 167, Law (Education), dated 29-1-23, it will be seen that the Government of India sanctioned grants aggregating Rs. 1.50-lakhs towards the expenditure on a training college for the domiciled community in this presidency, and that the whole of the above sum with interest has been placed, subject to certain conditions, at the disposal of the committee of the Lawrence Memorial Royal Military School, (towards the maintenance of the Lovedale training school, Lovedale.) The funds have been invested as under:--

- (1) 6% 1927 bonds ~~for Rs. 1.50 lakhs~~ ^{for Rs. 1.50 lakhs} have been purchased by the Imperial Bank of India for the Lawrence School. The bonds remained in the name of the Bank and ~~is~~ ^{are} in its safe custody.
- (2) ~~the~~ ^{the} balance of the accumulated amount has been placed at fixed deposit at the Ootacamund branch of the Bank by the committee of the school.

No formal trust was constituted for the administration of the above funds. With the introduction of the trustee scheme, the old committee of the school have ceased to exist. It is not ~~advisable~~ ^{proposed that the funds should be kept} ~~advisable to~~ ^{with} in the custody of the new Board of trustees. It has ~~been~~ ^{to be decided} in whom the funds should be kept, so that the Government will be at liberty to use the proceeds thereof for the purposes of European Education, whether it be for the training school or for any other purpose. The following three courses are open:--

- (1) To constitute a trust for the administration of the funds; or
- (2) To vest them in the Treasurer of Charitable Endowments under the Charitable Endowments Act, 1890.
- or (3) To invest ~~them~~ ^{them} with the Accountant-General under paragraph 90 of the Government Securities Manual.

It is not proposed to adopt the first proposal, as the training school is still on a temporary basis and may not be made permanent. For the same reason the

15 1
the second proposal may also be given up. The best and the simplest course is thus to invest the funds with the Accountant General under paragraph 90 of the Government Securities Manual. The Imperial Bank may be requested to endorse the bonds in their custody in the name of the Accountant General and forward them to him. The Lawrence School authorities may also be asked to transfer the amounts with them, intended for the training school, to the custody of the Accountant General who will invest them in Government securities. Under paragraph 90 (II) of the Government Securities Manual all the above funds should stand in the names of two officers of Govt. These may be the D.P.L. and the Collector of the Nilgiris. The A.G. may be asked to forward the interest accruing to the Principal and Secretary of the Lawrence School, for expenditure ~~on~~ on the Lovedale Training School.

2. The case may be forwarded u.o. to the A.G. for remarks and he may be requested to advise as to the further steps, if any, to be taken to invest the funds with the A.G. under paragraph 90 of the Madras Securities Manual.

dated 8-4-26.

Please see the A.G's U.O. reply on page
10 ante. The D.P.I. has ^{also} forwarded an ex-
tract from the proceedings of the Board of Trustees
of the Lawrence Memorial Royal Military
School, Lovedale, in which the Board requests the
funds of the Training School, Lovedale, may
be transferred to (the Board) and that the funds of
the school may be continued on a permanent basis.
These proposals are practically the same as those
contained in the Principal's letter to the D.P.I.
on page 4 of c.f. The transfer of the funds of
the training school to the Board of Trustees of
the L.M. School may result in the constitution
of another Trust for the training school and H.M.
C.4., has already noted that he is not in favor
of this proposal. It is for orders whether the
A.G. may be asked to keep the funds of the train-
ing school as 'Trust deposits' as advised by him on
page 10 ante.

2. As regards the permanent retention of the
school attention is solicited to paragraph 2 of
the note on page 1 ante. The strength of the
Lovedale Training School is very small (5 in 1924-
25). The other training school for European women
in the Presidency, namely the Church Park Training
School, Madras had 40 teachers under training in
that year. For orders whether the question of re-
taining the school permanently may be considered
after the present sanction for its temporary re-
tention expires, i.e. the 1st January 1929.

The Management of the Lawrence
Memorial Royal Military School, Lovedale,
proposes —

(i) that the temporary aided training school for European and Anglo-Indian women at Lovedale be retained on a permanent basis; and

(ii) that the funds of the training school be transferred to the Board of Trustees of the L.M. Royal Military School, the interest thereon being utilised as hitherto for the benefit of the training school.

2. Proposal (i) above: Permanent retention of the training school:

the Govt. examined the question

mentioned

(Sanctioned the) continuance of the school up to the 1st of January 1929 and they came to the conclusion that the stage had not been reached when it could be made permanent. After further consultation with the D.P.I. and the Inspector of ^{European} Schools, the Government accept the view of these officers that the ^(training) school should continue to remain on a temporary basis.

3. Proposal (ii): Transfer of the funds of the school to the Board of trustees of the L.M. Royal Military School.

In G.O.No: 167, Law(EDN), dated 29-1-23, the Govt. were pleased to place the accumulated amount of the Imperial grant of Rs 1.50 lakhs. for the school and of the interest thereon at the disposal of the Committee of the L.M School subject to the conditions that the amount was kept in a separate 'Training school account' and that an annual statement of receipts and charges was submitted to Govt. ^{As} The above Committee ^{has} ceased to exist, the funds of the training school ^{now} are at the disposal of the Govt. The new Board of Trustees of the Lawrence school is a successor of the old Committee only in so far as the funds etc. belonging to the Lawrence Military School are concerned. The funds of the training school are in no wise appurtenant to this ~~Lawrence~~ school; The training school is attached to the latter institution for convenience and on condition of ^{the} Govt. paying a grant towards the cost of running it.
