INSTRUCTIONS.

With the cognizance of the head of his office, or if he is himself the head of the office, or the head of his department, the applicant must present himself with three copies of the statement of his case in a cover sealed by his medical attendant at the seat of the Government under which he is serving, or at such other place as may be appointed by that Government where a committee of medical officers can be assembled under the orders of the Surgeon-General. The Board should see that the applicant fulfils these conditions.

Before deciding whether to grant or refuse the certificate the Medical Board may, in a doubtful case, detain an applicant under professional observation during a period not exceeding fourteen days.

If it can be avoided, the medical attendant on a case should not be a member of the Board which considers it, and under no circumstances can he sit as president. He should, however, be required to attend the Board to furnish any information whenever his presence is considered necessary.

The Medical Board, after a careful examination of the officer, and consideration of the medical attendant's statement of the case, will record in the proceedings as follows:

- Whether change of climate in or out of India is necessary.
- The period of absence recommended in or out of India, care being taken that leave in excess of the period to which the sick officer is entitled by regulations is not recommended.
- In the case of an officer requiring furlough or leave of absence owing to illness caused directly by intemperance, the Medical Board, whilst recording their opinion, will confine their recommendation to the officer appearing periodically before fresh Boards, or to the treatment of the case as one of discipline, whichever may be deemed necessary.

In urgent cases when a Medical Board considers it absolutely necessary that an officer recommended for change of air, either in or out of India should proceed in anticipation of sanction, a recommendation to that effect should be made in the proceedings.

We do hereby certify that according to the best of our professional

judgment, after a careful personal examination of the case, we consider the health of Shankunni P. Shankunni Avl.

of the Sanctioned service to be such as to render leave of absence to India.

for a period of three months absolutely necessary for his recovery. - He is suffering from leprosy.

(N) The leave at credit of the officer on 1-4-26, after the expiry of the leave granted to him in G.O. 658 Law Edn dated 20-4-26 was 3 months and 14 days expressed in terms of average pay. He may therefore be granted leave on half average pay for 1 month from 1-4-26 leave on average pay on medical certificate for 2 months 27 days and leave on half average pay for 4 days so as to avoid the necessity for the grant of leave not due.

2. As in a continuous spell of leave, the period of leave on average pay cannot intervene between 2 periods of leave on half average pay, the entire period of absence from 15-1-26 to 31-7-26 may be treated as leave on average pay on medical certificate for 2 months 27 days from 15-1-26 to 10-4-26 leave on half average pay for 3 months 21 days from 11-4-26.
