O o t a c a m u n d.

Sir,

I have the honour to request you kindly to bring before the next meeting of the District Educational Council my proposal that the grant to night schools be raised from the amount at present given, viz. 50% of that given for similar teaching qualifications in a day school, to 75% of the corresponding day school grant.

I have the honour to urge this in view of the fact that in some few places there are youths and men who have to earn their living by day, but are anxious to receive some education, or improve their neglected education; and it is difficult to run night schools without some little further aid. The number of such schools will always be small, and they will not militate in any way against the spread of day school education. Their cost to the Council, even with the proposed 50% increase in grant, will also be small, especially considering their great usefulness to those for whom they are intended.

I have the honour to be,

Sir,

Your most obedient servant,

Sd/- R.W.Boote,
Correspondent, W.M.Schools,
Nilgiris.
