Enclosures.

FROM

THE REGISTRAR,

University of Madras.

To

The Private Secretary to His Excellency

the Governor of Madras.

Sir,

I have the honour, by direction of the Syndicate, to submit for the assent of His Excellency the Chancellor, under Section 30(5) of the Madras University Act, 1923, the accompanying Statutes relating to Studentships adopted by the Senate at its adjourned meeting held on the 18th March 1926 for incorporation as Chapter XIV of the laws of the University.

I have to explain that the Academic Council appointed, in August 1924, a Committee to consider inter alia Chapter XII of the old Regulations relating to Studentships, with a view to making proposals as to the best method of using the funds that may be available for the encouragement of research by members of the University. The Committee submitted a series of recommendations involving changes in Chapter XII of the Regulations which were accepted by the Academic Council at its meeting held in December 1925. The main features of the recommendations are the institution of Research Fellowships, Research Studentships and Grants-in-aid of Research in place of Research Studentships at present awarded, the reduction of the monthly value of each studentship from Rs.100/- to Rs.75/- except in the case of Medical graduates for whom the studentship may be of the value of Rs.100/- per mensem, fixing a period of two years for the tenability of each studentship, fixing the monthly value of a Research Fellowship at a sum ranging from Rs.125/- to Rs.150/-, besides grants-in-aid of research.

At present Rs. 100 is given - minimum & maximum limits are Rs. 75 & 200. X. The present limits 3 yrs.

The Syndicate, acting on the recommendation of the Academic Council, redrafted Chapter XII of the old Regulations and placed it before the Senate at its adjourned meeting held on the 18th March 1926. The Senate accepted the redraft of Chapter XII of the Regulations which are in the nature of Statutes, for incorporation as Chapter XXV of the Laws.

I have the honour to be,

in Calendar for 1925-26.

Redraft of Chapter XII of the Regulations.

Studentships, Fellowships and Grants-in-aid of Research.

1. Awards by the University in aid of Post Graduate study and Research will be of three kinds:—

- (i) Research Studentships.
- (ii) Research Fellowships.
- (iii) Grants-in-aid of Research.

(i) Research Studentships.

2. Studentships not exceeding ten in number may be awarded annually to Graduates or Diploma holders of the University in accordance with the Laws set forth below if candidates of sufficient merit present themselves.

3. The studentships which will be tenable only in India will be awarded to enable graduates or Diploma holders to undertake research in any subject in the Faculties of Arts, Science, Medicine, Engineering and Agriculture.

4. No candidate shall be eligible for a studentship unless he has passed one of the following Examinations:—

- (a) B.A. Degree Examination in Honours
- (b) B.Sc. Degree Examination in Honours
- (c) The M.B. & B.S. Degree Examination
- (d) The B.E. Degree Examination
- (e) The B.Sc. Ag. Degree Examination
- (f) The Diploma in Economics Examination

provided that where in any year all the ten studentships are not awarded, the Syndicate may, in its discretion, award one or more studentships to any candidate or candidates who may not be graduates or Diploma holders of the University or be eligible as aforesaid.

5. A candidate for a studentship must send in his application in the prescribed form to the Registrar so as to reach him not later than the 1st July. No application received after the prescribed date will be accepted without the express sanction of the Syndicate. The candidate must state in his application the subject or matter he proposes to investigate, or the general nature of the research he proposes to undertake. He must also state where he proposes and has permission to undertake his research.

The application shall be referred for consideration and report to the Board of Studies dealing with the subject which the student proposes to investigate.

6. The award of studentships will be made by the Syndicate on the reports of the Boards of Studies: usually it will be in August.

7. The value of a studentship shall be Rs. 75 per mensem, except in the case of Graduates in Medicine for whom the studentship may be of the value of Rs. 100 per mensem. A studentship shall ordinarily be tenable for a period of two years from the date after the award on which the student commences work on his investigation. When in the opinion of the Syndicate the character of the investigation on which a student is engaged and the ability shown by him render such a course desirable, the Syndicate may continue his studentship for an additional year.

A student who fails to start work within one month from the date of the award of his studentship will be liable to have the award cancelled.

8. Each student shall enter into a bond with the University, the terms of which shall be settled by the Syndicate, agreeing to engage diligently in research work during the tenure of his studentship and to refund to the University the amount of the studentship drawn by him in case of resignation before the expiry of its tenure, or of its forfeiture for misconduct or for unsatisfactory progress.

The Syndicate shall have power to waive the claim for refund in case of ill-health supported by a medical certificate or in cases where it considers sufficient cause has been shown to warrant exemption from repayment. No such case will be considered by the Syndicate until the student has submitted to it an account of his researches so far as they have progressed.

10. Each student shall submit four printed or typed copies of a paper embodying the results and giving an account of his investigations to the Syndicate at the end of the tenure of his studentship. It shall, however, be open to him to submit to the Syndicate at a prior date to that stipulated the results of any completed portion of his research.

11. A student shall not, during the tenure of his studentship, be at liberty to publish any results of his investigation until he has laid them before the Syndicate in accordance with Law 10 of this Chapter and has obtained sanction to such publication.

12. A research student may be granted, in addition to the holidays notified by Government as public holidays, casual leave up to the period allowable for Government servants, and a vacation of one month in the year (the year to count from the date on which he begins his research work). The vacation may be taken at any time during the year, provided that the person appointed to superintend the student's work approves of the date. The student shall be entitled to his studentship during the vacation.

(ii) *Research Fellowships.*

13. Fellowships not exceeding three in number, which shall be tenable only in India, may be awarded annually to graduates who produce evidence, preferably by work already published, of capability to advance knowledge by original investigation.

Teachers in Constituent and Affiliated Colleges of this University, who satisfy the above stipulation as to ability to undertake research, shall also be eligible for Research Fellowships.

14. The value of each Fellowship shall be determined by the Syndicate but shall not be less than Rs. 125 and shall not exceed Rs. 150 per mensem. A fellowship shall be tenable ordinarily for a period of one year from the date after the award on which the Fellow commences work on his investigation under the University, and may be renewed for an additional year if the Syndicate considers that the work of the Fellow merits an extension of the term.

15. Each Fellow shall be required to be a full-time research worker while holding the Fellowship.

16. Applications for Fellowships may be forwarded to the Registrar at any time during the year. The procedure adopted in respect of the grant of studentships shall *mutatis mutandis* be followed in respect of the grant of Fellowships.

(iii) *Grants-in-aid of Research.*

17. Grants-in-aid to cover expenses in connection with research may be given, at the discretion of the Syndicate, to persons who do not desire to become full-time research workers but are desirous of prosecuting definite research work in India.
