Mr. P. Anjanayulu.

216.

396.

To reduce the allotment of Rs. 1,00,500 for Grants.in-aid Educational by Rs. 100/- (to discuss the need for provision for research work in the Dravidian languages).

Law (Education) Department.

This question is under the consideration of the Government. The University first proposed to institute research in all the oriental languages but at the instance of the Government have agreed to the restriction of the scheme for the present to the Dravidian languages at an estimated cost of Rs.31,000 a year. The University asked for a grant of Rs.21,000 for this object but the Government proposed to pay only Rs. 11,000. The University has applied for a reconsideration and the subject was discussed in the cabinet meeting today and the Government have agreed to comply with the request of the University for a grant of Rs. 21,000. Thus the object of the M.D. C. is to be provided for.
