Sir,

I have the honour, by direction of the Syndicate, to invite the kind attention of His Excellency the Chancellor to my letter No.4360, dated the 7th May 1925, in the last paragraph of which it was stated that certain statutes relating to Part-time teachers of the University had been referred back by the Senate to the Academic Council for reconsideration and the Council of Affiliated Colleges for consideration and report. The recommendations of the two latter ^{authorities} ~~bodies~~ were submitted to the Senate at its meeting held in October 1925 which adopted a motion referring the recommendations to the Syndicate with a request to draft the necessary statutes. The Syndicate accordingly recommended that the following draft Statutes be adopted and incorporated as Laws 19 and 20 in Chapter XX of the Laws of the University, the last Law of that Chapter being renumbered as 21.-

19. Part-time teachers of the University shall be appointed only for special reasons, shall ordinarily be chosen from amongst the members of the staffs of the Constituent and Affiliated Colleges and shall perform such duties as may be assigned to them.
20. They shall be appointed for such periods and paid such salaries as may be fixed in each case, regard being had to the grade of the teacher and to the amount of time he is to devote to the work of the University.

The Senate accepted the above Statutes, and I am directed to request that His Excellency will be pleased to give his assent thereto in accordance with Section 30(5) of the Madras University Act, 1923.

REGISTRAR.

UNIVERSITY OF MADRAS.

Letter No. 4350, dated 7th May 1925, from the Registrar, University of Madras, to the Private Secretary to His Excellency the Governor of Madras.

I have the honour, by direction, to forward, for the assent of His Excellency the Chancellor, the accompanying resolutions adopted by the Senate at its adjourned meeting held on the 18th March 1925 accepting certain statutes relating to the method of selection, the conditions of appointment and the emoluments of Teachers of the University and to University Lectures, to be incorporated as Chapter XX of the Laws of the University.

I have to explain that the Statutes under I are the outcome of the resolution adopted by the Senate at its meeting held on 16th December 1924 referring to the Syndicate for its opinion the following resolution adopted by it on the motion of Mr. A. Ramaswami Mudaliar:-

That it should be a Statute that the Senate do determine from time to time, after considering the recommendations of the Academic Council and the Syndicate, the subjects for which Professorships, Readerships, Lecturerships or other teaching posts should be instituted and the several terms and conditions subject to which such Professorships, Lecturerships, Readerships or other teaching posts should be instituted.

The Syndicate accepted the resolution and accordingly recommended the two new Statutes and consequential alterations in the Laws, which have been adopted by the Senate.

In regard to Statutes under II, I have to state that the Academic Council, at its meeting held on 8th August 1924, appointed a Committee for the purpose of making proposals (1) as to the best method of selection, the conditions of appointment and the emoluments of Teachers of the University and (2) as to the best methods of using the funds that may be available for the encouragement of research by members of the University. The Committee submitted an interim report recommending a set of laws relating to Professorships, Readerships and Lecturerships, which were adopted by the Academic Council at its meeting held on 12th December 1924 and recommended to the Senate for adoption.

In this connection, I have to add that the following Statutes numbered 17, 18 and 19 relating to the Part-time Teachers of the University, which were accepted by the Academic Council, have been referred back by the Senate to the Academic Council for

reconsideration and the Council of Affiliated Colleges for consideration and Report:--

17. Part-time Teachers of the University shall ordinarily be chosen from amongst the members of the staffs of the Constituent Colleges and shall perform such duties as may be assigned to them.
18. They shall ordinarily be appointed for a period of five years and shall be eligible for reappointment.
19. They shall be paid such salaries as may be fixed in each case, regard being had to the grade of the teacher and to the amount of time he is to devote to the work of the University.

These Statutes will be placed before the two bodies above-mentioned at their meetings to be held in August next.

The letter from the University Registrar, Bangalore, relates to Statutes defining the conditions of service of part time teachers appointed by the Madras University. This class of teachers is created by Sec. 2(K) of the Madras University Act, 1923. The Statutes seem unobjectionable and may be assented to by the Chancellor under Sec. 30(5) of the Act.

2 The question whether part time teachers should be eligible to vote at elections to the Academic Council & the Council of the University and the connected question whether Sec. 2(j) of the Act should be amended in this respect are separately under consideration. The decision on these questions will not, however, affect the Statutes now under consideration as the teachers ^{to whom they relate} do not come under the above section and as the Statutes relate only to their conditions of their appointment and not to their right to vote.
